LWW Doody's Essential Book Collection 2026

44 Lippincott® books recommended for providing fundamental knowledge in a given discipline by medical librarians and content experts

Each of these 44 books from premier publisher, Lippincott®, has been designated an "Essential Purchase Title" by medical librarians and content experts through Doody Enterprises, Inc., which has offered collection development resources for medical and healthcare libraries for over 30 years

The books contain foundational, fundamental knowledge in a given discipline, and have been selected based on scores on 5 key collection development criteria: authoritativeness of author and publisher; scope and coverage of the subject matter; quality of content (including timeliness); usefulness and purpose; and value of money.

Enjoy the benefits of the Ovid® platform:

- Offer users access to trusted resources recommended by practitioners and librarians in medicine and healthcare, and published by one of the world's most prestigious publishers
- Quickly and cost-effectively build your institution's ebook portfolio
- Take advantage of purchase pricing, which gives you unlimited, perpetual access to books on Books@Ovid
- Search books simultaneously with journal and database resources
- Use natural language processing to generate relevance-ranked results

Did you purchase the 2025 collection?
