

LWW Doody's Essential Collection 2023

Quickly and cost-effectively build your institution's eBook portfolio with this package of 63 titles. Each of these books from premier publisher, Lippincott®, has been recognized as a Doody's Essential Title. These titles are recommended as essential purchases for institutions—especially those with limited budgets—seeking to expand their medical resource portfolio.

Doody's Review Services™ is a world leader in providing authoritative and expert quality assessments of medical, nursing, and allied health books. Recommendations for Essential Titles are made by multiple librarians with subject area expertise, who select and score in that area of specialty. Recommendations are made independently of one another, based on the librarian's experience with their respective institutions. Designations are specialty specific, and each Essential Title is also considered a Doody's Core Title™—a truly must have resource.

Thirteen books in the collection have received a 3—the highest score available!

What Do the Scores Mean?

Title scores provide collection development specialists with another way to compare core titles within a given specialty.

- A score of "3" signifies "excellent"
- A score of "2" means "very good"
- A score of "1" means "good"
