CASH SuiteTM

The leading commercial lending system that helps with every step of the loan lifecycle.

Commercial lenders navigate challenges every day, whether it's finding ways to operate more efficiently to reduce the pressure on your team, the need for speed in a competitive lending environment, or the responsibility of monitoring and maintaining the health of your lending portfolio.

You need a solution that can help you from all angles — giving you true straight-through processing across every step of the commercial loan lifecycle to protect your portfolio and grow your commercial lending business.

A powerful financial analysis solution that provides consistency within an easy-to-use yet highly flexible environment.

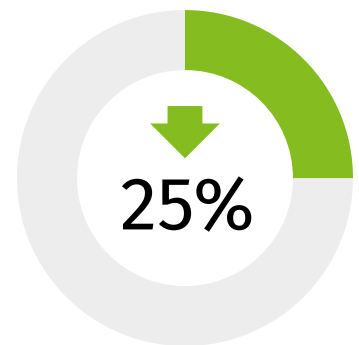

Achieve straight-through processing for commercial lending

Maximize the success of your commercial lending process by using CASH Suite™, the comprehensive solution that enables your institution to manage opportunities efficiently. The integrated solution shares data between tasks like business development, financial analysis, risk rating, pricing, and credit memo preparation.

Informed decisions throughout the loan lifecycle to increase profitability and reduce risk

With the power of CASH Suite behind your commercial lending process, you'll gain deep visibility and control over all points of your loan lifecycle. The right analysis can make all the difference, ensuring you reach the right borrowers at the right price. You'll also gain deep client visibility, putting you in a position to serve your clients better, increase profitability, and manage your institution's risk.

Commercial lenders **reduce** their loan process time by **25-30%** using CASH Suite
