# CT Assurance

One subscription,  
multiple benefits

**CT Assurance is a flexible solution that allows you to select essential services from ONE provider that meets all your compliance needs under ONE predictable annual fee. Save time and confidently focus on your core business, knowing your compliance is in good hands.**

Ensuring compliance requires constant diligence that demands a lot of your team. There are many time-consuming steps, yet just a single mistake can put your business' good standing at risk. CT Assurance allows you to leverage economies of scale and outsource your compliance management securely with:

- **Budget Control & Predictability.** A multi-year offering makes it easier for you to establish a year-over-year budget with predictable pricing. No hidden fees, no costly surprises.
- **Customization.** CT Assurance is adaptable to your changing business entity lifecycle needs. We will customize an unlimited agreement at a deep discount comprised of the compliance services you select.
- **Cost Stability and Savings.** Protect yourself from market price fluctuations, spikes in on-demand transactions, and economic changes with a multi-year, fixed fee.
- **Streamlined Vendor Consolidation.** Simplify with CT as your single provider for all compliance needs. We provide a dedicated Account Executive and an assigned Service Team to manage your entire compliance experience.
- **Simplified Billing.** Benefit from easier invoice management with a single invoice.

**With ONE expert team on your side, the internal burden is lifted:**

Eliminate time-consuming research

Reduce filing errors

Limit expenses and maintain budget control

Streamline a compliance workflow across the entire organization

Gain peace of mind
