The screenshot shows a web browser window with the address bar displaying 'startemmi.com/start...'. The page has a blue header with the text 'Sample Script: Fall Risk Assessment'. Below the header, there is a white box containing the text 'Fall Risk Assessment' followed by a paragraph: 'Your doctor would like to check-in with you about falls. Falls can be scary, and if you're over 65 you might be at a higher risk of falling unexpectedly. We want to see if you've had any trouble with falls in order to give the best help moving forward. Let's get started!'. At the bottom of the white box, there is a blue button with the text 'Next'.

The screenshot shows a mobile browser interface for a digital form. The browser's address bar displays 'Emmi - Check In' and 'startemmi.com/start...'. The form's title, 'Sample Script: Fall Risk Assessment', is centered in a blue header. Below this, the form content is enclosed in a white box with a thin border. It begins with the title 'Fall Risk Assessment' in bold, followed by the question 'First, have you fallen in the last 12 months?'. Two large, rounded rectangular buttons are provided for the response: a green 'Yes' button and a light gray 'No' button. At the bottom of the form, a blue 'Next' button is centered.
