Customizable Announcement

Spread the word:

Use the following template to announce the availability of UpToDate at your organization.

UpToDate® is available at <insert org name>.

Dear Staff,

UpToDate, the comprehensive clinical decision support (CDS) resource, is now available to <insert institution name> clinical staff. UpToDate gives you access to evidence-based clinical content when and where you need it. Healthcare professionals around the world turn to UpToDate - founded for and by clinicians - as the standard, trusted reference for answers even when the evidence isn't clear. Clinicians are urged to take advantage of this valuable resource.

[Watch a short video on the benefits of registration.](#)

UpToDate Registration Benefits:

- Free continuing education credits (CME/CE/CPD) when you research a clinical question
- Free UpToDate Mobile App for your iOS® or Android™ device
- Remote UpToDate access from outside the hospital network
- Bi-weekly Clinical Newsletter with important updates from the UpToDate editorial team

Registering for UpToDate:

Accessing UpToDate from the <insert institution name> network can be accomplished in two ways:

1. Navigate to www.uptodate.com when you are on site, click the *Register* link in the top right of the page and complete the registration page. Log in with UpToDate username and password each time after initial registration.
2. Click on the UpToDate link within the EHR and complete the registration form. Enjoy single sign-on from your EHR.
3. Or insert your organization's custom access method

Maintaining Access:

To maintain uninterrupted access to UpToDate, confirm your affiliation with <insert institution name> every 90 days by logging in to UpToDate from within our network.

Need help? Here are several resources to help you get started:
