
Procedures

Procedure Type	Procedure
Surgical Skills Surgical Skills	Suture: Running Instrument Tie: Simple Interrupted
Diagnostic Procedures Diagnostic Procedures Diagnostic Procedures Diagnostic Procedures Diagnostic Procedures Diagnostic Procedures Diagnostic Procedures	Joint Effusion Knee Evaluation: Point-of-Care Ultrasound Joint Effusion Hip Evaluation: Point-of-Care Ultrasound Ankle Sprain or Fracture Evaluation: Point-of-Care Ultrasound Carpal Tunnel Syndrome Evaluation: Point-of-Care Ultrasound Foreign Body Evaluation: Point-of-Care Ultrasound Soft Tissue Mass Evaluation: Point-of-Care Ultrasound Nephrolithiasis Evaluation: Point-of-Care Ultrasound
Cardiopulmonary Interventions Cardiopulmonary Interventions	Bag-Valve-Mask: One Person Bag-Valve-Mask: Two Person
DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures DX Procedures	Pleural Effusion Evaluation: Point-of-Care Ultrasound Ascites Evaluation: Point-of-Care Ultrasound Cellulitis or Abscess Evaluation: Point-of-Care Ultrasound Lower Extremity Deep Venous Thrombosis Evaluation: Point-of-Care Ultrasound Pneumothorax Evaluation: Point-of-Care Ultrasound Pneumonia Evaluation: Point-of-Care Ultrasound Heart Failure Evaluation: Point-of-Care Ultrasound Evaluation of Pericardial Effusion Evaluation: Point-of-Care Ultrasound Cholelithiasis and Cholecystitis Evaluation: Point-of-Care Ultrasound Abdominal Aortic Aneurysm Evaluation: Point-of-Care Ultrasound Pulmonary Evaluation: Spirometry
Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations Injections / Aspirations	Field Block Injection Shoulder Injection: Subacromial Space Posterior Approach Knee Injection: Superolateral Intramuscular Injection: Deltoid Intramuscular Injection: Ventrogluteal Lumbar Puncture Without Ultrasound Guidance Acromioclavicular Joint Injection Medial Epicondyle Injection Lateral Epicondyle Injection Carpal Tunnel Syndrome Injection: Preferred Flexor Carpi Radialis Approach Thumb Carpometacarpal Joint Injection Trigger Finger injection Greater Trochanteric Pain Syndrome Injection Prepatellar Bursitis Aspiration and Injection Plantar Fascia Injection de Quervain's Tenosynovitis Injection

Procedure Type

Procedure

Lines & Tubes	Central Line Placement: Subclavian Without Ultrasound
Lines & Tubes	Chest Tube Insertion (Thoracostomy): Seldinger (Pigtail) Approach
Lines & Tubes	Chest Tube Insertion (Thoracostomy): Traditional (Large-Bore) Approach
Lines & Tubes	Intraosseous Line Placement: Humeral
Lines & Tubes	Intraosseous Line Placement: Tibial
Lines & Tubes	Endotracheal Intubation with Video Laryngoscope
Lines & Tubes	Arterial Line Placement: Femoral With Ultrasound Guidance
Lines & Tubes	Central Line Placement: Femoral With Ultrasound Guidance
Lines & Tubes	Venipuncture: Butterfly Needle
Lines & Tubes	Venipuncture: Evacuated Tube System
Lines & Tubes	Nasogastric Tube Placement: Standard
Lines & Tubes	Peripheral IV Without Ultrasound
Lines & Tubes	Peripheral IV With Ultrasound Guidance
Para, Thora, Arthro	Paracentesis With Ultrasound Guidance
Para, Thora, Arthro	Thoracentesis With Ultrasound Guidance
Para, Thora, Arthro	Arthrocentesis: Knee Landmark-Based
Para, Thora, Arthro	Arthrocentesis: Knee With Ultrasound Guidance
Surgical Skills	Fusiform Excision
Surgical Skills	Nail Avulsion and Matrixectomy
Surgical Skills	Ankle Splint (AO Splint)
Surgical Skills	Forearm Splint (Sugar Tong Splint)
Surgical Skills	Suture: Subcutaneous
Surgical Skills	Suture: Simple Interrupted
Surgical Skills	Staples: Wound Closure
Surgical Skills	Indwelling Urinary Catheter Insertion (Foley): Female Patient
Surgical Skills	Indwelling Urinary Catheter Insertion (Foley): Male Patient
Surgical Skills	Punch Biopsy
Surgical Skills	Shave Biopsy
Surgical Skills	Suture: Deep Dermal
Surgical Skills	Suture: Horizontal Mattress
Surgical Skills	Suture: Instrument Holding Overview
Surgical Skills	Suture: Two Hand Tie
Surgical Skills	Suture: One Hand Tie
Surgical Skills	Suture: Vertical Mattress
