See the Big Picture with Accurate Reporting and Key Insights

Access Key Insights and Track Performance with Legisway Reporting.

Consolidate legal data for centralized, easy reporting to unlock strategic insights and drive better decision making for the business.

Make legal information accessible for the business thanks to Legisway reporting. All contracts, claims, intellectual property, real estate and entity information are captured in one place, cross-referenced and related, ready for you to generate reliable reports at the click of a button.

When you have to be right

Store legal information in a consistent, structured way, and confidently run reports using the most up-to-date data.

Generate custom reports

Confidently create custom reports, including the data, filters and design.

Share your reports with stakeholders

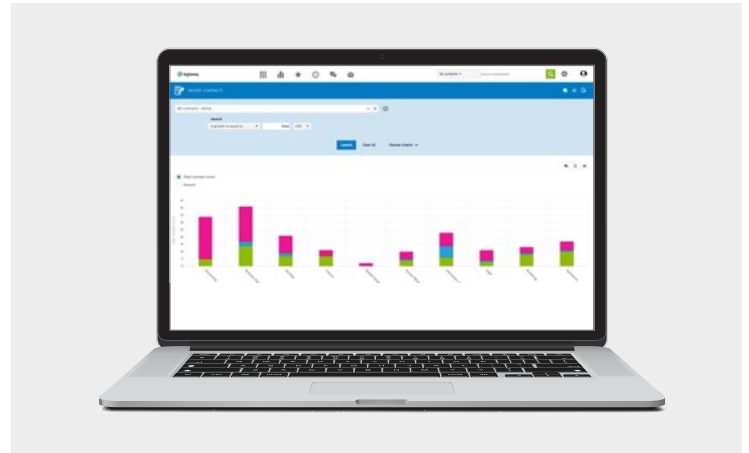

Share reports and reminders via automatic email alerts. Make platform navigation simple with pinned dashboards in Legisway for those who need to access information on a regular basis.

Visualize data

Communicate obligations, provisions, deadlines or risks, by activity. Generate accurate charts and diagrams that are impactful and easy to understand.

Accuracy

Enable impactful advanced reporting and monitor KPIs with ease and accuracy suited for your requirements.

Legisway from Wolters Kluwer, is an all-in-one SaaS legal information and AI-powered contract management solution, with modules packaged and configured to meet specific industry needs. Easy-to-use with an intuitive UI, Legisway provides automation, workflow and collaboration for the legal department and internal customers, with integration APIs and connectors so you can leverage existing business systems.

At the core is a smart repository that helps you manage not just contracts, but entities and corporate governance; compliance policies, risks and incidents; legal cases and claims; intellectual property registrations and inventors, real estate and leases; GDPR and even invoices and outside counsel spend.

Over 1000 legal departments worldwide use Legisway. Contact us today to discover how Legisway can work for your business.
