LWW Doody's Core Title Collection 2026

Over 180 Lippincott® books recommended as must-have titles by medical librarians and content experts

Each of these books from premier publisher, Lippincott®, has been designated a "Doody's Core Title" by medical librarians and content experts through Doody Enterprises, Inc., which has offered collection development resources for medical and healthcare libraries for over 30 years.

Doody's Core Titles® provide essential knowledge for students and professionals in a given discipline, and have been selected based on 5 key criteria: authoritativeness of author and publisher; scope and coverage of the subject matter; quality of content (including timeliness); usefulness and purpose; and value of money.
