

LegalVIEW® DynamicInsights

Empowering corporate legal departments with data-driven decisions

Unlock strategic rate negotiations and cost controls

Corporate legal teams continue to face rising outside counsel rates alongside increased pressure to control costs. Without reliable insights into trends and benchmarks, it's a struggle to negotiate more competitive rates and make informed, data-driven vendor management decisions.

LegalVIEW DynamicInsights is powered by the industry's most accurate, comprehensive source of \$200B+ in real, invoice-backed data to drive smart, informed decision-making. Unlike provider-selected insights and survey-based data, LegalVIEW DynamicInsights gives users control of the full set of data. Analyze, benchmark, and explore legal spend across the most relevant dimensions to negotiate and manage legal spend with confidence.

Leverage the most comprehensive, accurate source of real, invoice-backed data to drive:

- **Strategic negotiations** – Gain transparency into spend patterns and rate benchmarks to confidently negotiate competitive law firm rates.
- **Improved financial controls** – Out-of-the-box trend analysis to improve budget planning and ensure cost-effective resource allocation.
- **Data-focused vendor management** – Use shared rate transparency to enhance collaboration, strengthen law firm relationships, and foster mutual trust through meaningful discussions.

Customize data for actionable insights aligned with business objectives
