

Lippincott® CoursePoint for Nursing Concepts

Texas Concepts & Exemplars

Acid-Base Balance

- Compensation and Partial Compensation
- Gastrointestinal Losses Metabolic Acidosis: Diabetic Ketoacidosis (DKA)
- Hyperventilation and Respiratory Acidosis: Drug Overdose w/ Hypoventilation

Cellular Regulation

- Breast Tumors and Breast Cancer
- Cancer Survivorship
- Colorectal Cancer
- Leukemia
- Lung Cancer
- Lymphoproliferative Disorder
- Prostate Cancer
- Skin Cancer

Clinical Judgment

- Clinical Skills
- Delegation
- Medication Management
- Nursing Process
- Patient Advocacy
- Prioritization of Care
- Urgent/Emergent Situations

Clotting

- Blood Products
- Deep Vein Thrombosis (DVT)
- Disseminated Intravascular Coagulation (DIC)
- HELLP Syndrome
- Hemophilia
- Thrombocytopenia including Heparin-Induced Thrombocytopenia (HIT) and Idiopathic Thrombocytopenia Purpura (ITP)

Cognition

- Alzheimer's Disease/Dementia
- Delirium
- Encephalopathy
- Postpartum Psychosis
- Schizophrenia
- Traumatic Brain Injury

Comfort

- Cancer Pain
- Degenerative Disc Disease
- Labor Pain
- Musculoskeletal Trauma: Amputation
- Musculoskeletal Trauma: Fractures/ Musculoskeletal Injuries
- Neonatal Pain
- Osteoarthritis
- Pancreatitis
- Peripheral Vascular Disease (PVD)
- Postoperative Procedural Pain
- Renal Calculi
- Rheumatoid Arthritis (RA)
- Sickle Cell Anemia

Communication

- Assertive Communication
- Electronic Health Records (EHRs)
- Intrapersonal Communications
- Interprofessional Communication: SBAR
- Peers and Healthcare Team Members
- Therapeutic Communication

Coping

- Anxiety
- Anxiety: Eating Disorders
- Anxiety: Generalized Anxiety Disorder
- Anxiety: Obsessive-Compulsive Personality Disorder
- Anxiety: Panic Disorder
- Anxiety: Phobias
- Stress: Lifespan Response
- Stress: Physical Response to Disease
- Stress: Posttraumatic Stress Disorder
- Stress: Separation Anxiety
- Substance Abuse/Addictive Behaviors
- Substance Abuse/Addictive Behaviors: Alcoholism
- Substance Abuse/Addictive Behaviors: Opioid Use Disorders
- Substance Abuse/Addictive Behaviors: Maternal/Fetal Cocaine Addition, and Neonatal Abstinence Syndrome

Diversity

- Abilities (Diversity)
- Age (Diversity)
- Education (Diversity)
- Gender (Diversity)
- Life Experiences
- Race
- Sexual Orientation
- Spirituality
- Spirituality Distress

Elimination

- Bowel Obstruction: Paralytic Ileus
- Clostridium Difficile (C. diff)
- Constipation and Impaction
- Diarrhea/Bowel Incontinence
- Diverticulitis
- Neurogenic Bladder
- Urinary Incontinence
- Urinary Retention: Benign Prostatic Hypertrophy (BPH)

End of Life

- Amyotrophic Lateral Sclerosis (ALS)
- Palliative Care: Pancreatic Cancer/ Hospice
- Pediatric End-of-Life Care
- Persistent Vegetative State (PVS)
- Senescence (Aging)

Ethics & Legal Practice

- Advance Directives
- ANA Code of Ethics
- Civil and Criminal Law
- Ethical Dilemmas
- Ethical Principles
- Informed Consent
- Nursing Practice Act
- Obligation to Report
- Patient Confidentiality (HIPAA and Social Media)
- Patient Rights
- Peer Review
- Safe Harbor
- Texas Peer Assistance Program for Nurses (TPAPN)
- Whistle Blowing

Evidence-Based Practice

- Best Practices and Standards
- Develop a Question (PICOT)

Fluid & Electrolyte Balance

- Calcium Imbalances
- Dehydration: Gastroenteritis
- Extracellular Fluid Volume Excess: Heart Failure
- Hyperkalemia: Acute Renal Failure
- Hyperkalemia: Chronic Renal Failure
- Hypermagnesemia and Hypomagnesemia
- Hypernatremia: Diabetes Insipidus
- Hyponatremia: Syndrome of Inappropriate Antidiuretic Hormone (SIADH)
- Phosphate Imbalances
- Potassium Imbalances

Functional Ability

- Alzheimer's Disease
- Cerebrovascular Accident (Stroke)
- Down Syndrome
- Multiple Sclerosis (MS)
- Parkinson's Disease

Gas Exchange

- Anemia
- Asthma
- Chronic Obstructive Pulmonary Disease (COPD)
- Cystic Fibrosis
- Pneumonia
- Pulmonary Embolism
- Respiratory Distress Syndrome
- Respiratory Syncytial Virus (RSV)/Bronchiolitis
- Tracheal Esophageal Fistula

Grief

- Amputation
- Myocardial Infarction (MI)
- Prenatal Diagnosis of Congenital Defect and Stillbirth
- Sudden Infant Death Syndrome (SIDS)
- Terminal Illness

Healthcare Organizations

- Access to Healthcare
- Diagnosis-Related Groups (DRGs)
- Emergency Preparedness
- Just Culture
- Nursing Care Delivery Systems
- Primary, Secondary, and Tertiary Care
- Resource Utilization
- Resource Utilization: Allocation of Resources
- Resource Utilization: Cost-Effective Care

Health Information Technology

- Alarm (Alert) Fatigue
- Clinical Decision Support Systems
- Computer-Based Reminder Systems
- Cybersecurity
- Legal Aspects of Health Information Technology
- Point of Care
- Tele-Health

Health Policy

- Accrediting Bodies
- Global Health
- Issues & Trends
- Pandemics
- Professional Organizations
- Regulatory Agencies (OSHA, Licensure, DHHS, DHSR, CMS)
- Types of Reimbursement (Medicare, Medicaid, Private)

Health Promotion

- Healthcare Screening
- Injury Prevention
- Obesity Management
- Social Determinants of Health

Human Development

- Aging
- Attention-Deficit Hyperactivity Disorder (ADHD & ADD)
- Autism Spectrum Disorders
- Developmental Delay
- Down Syndrome
- Hospitalized Individual
- Menopause
- Social Anxiety Disorder

Immunity

- Anaphylaxis
- Appendicitis
- Cellulitis
- Crohn's Disease
- Human Immunodeficiency Virus (HIV)
- Inflammatory Bowel Disease (IBD)
- Multiple Organ Dysfunction Syndrome (MODS) with Shock and/or DIC
- Organ Transplantation
- Osteomyelitis
- Otitis Media
- Pneumonia
- Rheumatoid Arthritis (RA)
- Sepsis
- Systemic Inflammatory Response Syndrome (SIRS)
- Systemic Lupus Erythematosus (SLE)
- Trauma-Sprain
- Tuberculosis (TB)
- Urinary Tract Infection (UTI)
- Vaccines

Interpersonal Relationships

- Aging of Family Members
- Crisis Intervention
- Disability of Family Member
- Expanding Family (Birth, Adoption, Blended Family)
- Human Trafficking
- Personality Disorders
- Violence: Bullying
- Violence: Child Abuse and Neglect
- Violence: Elder Abuse
- Violence: Intimate Partner Violence
- Violence: Rape-Trauma Syndrome
- Violence: Workplace Violence

Intracranial Regulation

- Brain Tumor
- Cerebrovascular Accident (Stroke)
- Hydrocephalus
- Meningitis
- Organ Donation
- Parkinson's Disease
- Postconcussion Syndrome
- Seizure Disorder
- Traumatic Brain Injury

Leadership & Management

- Care Coordination
- Delegation
- Intro to Working in Healthcare Environments
- Management and Change Theory

Metabolism

- Gestational Diabetes
- Hypercortisolism: Cushing's Disease
- Hypocortisolism: Addison's Disease (Chronic Adrenal Insufficiency)
- Hypothyroidism and Hyperthyroidism
- Graves' Disease
- Liver Failure
- Pancreatitis
- Starvation - Failure to Thrive
- Type 1 and Type 2 Diabetes

Mobility

- Cerebral Palsy
- Disuse Syndrome
- Hip Fractures
- Joint Replacement
- Musculoskeletal Trauma: Amputation
- Musculoskeletal Trauma: Compartment Syndrome
- Musculoskeletal Trauma: Fractures/Musculoskeletal Injuries
- Osteoarthritis
- Osteoporosis
- Spinal Cord Injury

Mood and Affect

- Bipolar Disorder
- Major Depressive Disorder
- Postpartum Depression
- Suicide

Nutrition

- Diabetic Diet
- Diets
- Diets for Critically Ill Patients: Liver Diet(s)
- Diets for Critically Ill Patients: Parenteral Nutrition
- Diets for Critically Ill Patients: Renal Diet(s)
- Dysphagia
- Failure to Thrive
- Gastroesophageal Reflux Disease (GERD)
- Heart Healthy Diet
- Infant Nutrition
- Iron-Deficiency Anemia
- Malabsorption Syndrome, Infant & Elderly
- Malnutrition
- Obesity
- Peptic Ulcer Disease (PUD)

Patient-Centered Care

- Advocacy
- Cultural Competence
- Prioritizing Individualized Care

Patient Education

- Discharge Planning
- Patient Teaching (Formal and Informal)
- Oral Health Across the Lifespan

Perfusion

- Aneurysms
- Basic ECG Rhythms
- Coarctation of Aorta
- Congestive Heart Failure
- Coronary Artery Disease (CAD)
- Dysrhythmias
- Gestational Hypertension
- Hypertension (HTN)
- Mitral Valve Prolapse
- Myocardial Infarction (MI)
- Patent Ductus Arteriosus (PDA)
- Peripheral Vascular Disease (PVD)
- Shock
- Tetralogy of Fallot
- Ventricular Septal Defect

Professionalism

- Attributes of the Profession
- Commitment to the Profession
- Nursing Organizations & Unions
- Roles of the Nurse (DECS)
- Service Excellence
- Transition to Practice

Quality Improvement

- Error Management: Medication Administration System
- Error Management: Root Cause Analysis (RCA)
- Error Management: Sentinel Events
- Error Management: Technology
- Quality Plans and Philosophies (TQM, Culture of Safety, Introduction to Magnet)
- Regulatory Agencies (Centers for Medicare & Medicaid, JC, IOM, QSEN)

Reproduction

- Contraception/Family Planning
- Genetics
- Infertility
- Newborn Care
- Placental Complications
- Pregnancy
- Preterm Labor
- Rh Incompatibility

Safety

- Anticipatory Guidance
- Core Measures
- Environmental Safety
- Hand-Off Communication
- Medication Administration
- National Patient Safety Goals
- Nurse/Caregiver Fatigue and Self-Care
- Standard Precautions
- Time Outs

Sensory Perception

- Cataracts
- Conductive and Sensorineural Hearing Loss
- Eye Injuries
- Glaucoma
- Macular Degenerative Disease
- Peripheral Neuropathy

Sexuality

- Altered Libido
- Dyspareunia
- Erectile Dysfunction
- Gender Dysphoria/Body Image
- Sexually Transmitted Infections (STIs)

Sleep

- Insomnia
- Sleep Apnea
- Sleep Deprivation

Teamwork & Collaboration

- Case Management
- Chain of Command
- Conflict Management Strategies
- Group Process
- Interdisciplinary Plan of Care (IPOC)
- Interprofessional Collaboration
- Violence/Civility in the Workplace

Thermoregulation

- Environmental Exposure
- Environmental Exposure: Hyperthermia
- Environmental Exposure: Hypothermia
- Fever (Pediatric)
- Malignant Hyperthermia

Tissue Integrity

- Burns
- Candida
- Dermal Ulcer
- Impetigo
- Pediculosis (Lice)
- Psoriasis
- Tinea Pedis
- Wound (Surgical/Traumatic)
