

# Lippincott® Connect Courseware for Diagnostic Medical Sonography

Lippincott® Connect enables you to personalize your teaching and enhance your students' course experience in a customizable, all-in-one learning solution combining assessment, multimedia content, and an interactive eBook. Instructors can create assignments, assess students' knowledge, and track their progress. Students maximize efficiency through valuable feedback and remediation. Key performance insights are reported in a userfriendly dashboard that allows instructors and students to tailor their teaching and learning experiences.
