

# Ovid® Clinical EDGE:

## Fast, reliable answers for clinicians and institutions

### Empowering clinicians

Ovid® Clinical Edge gives healthcare professionals fast, reliable access to the answers they need. Built on Ovid's intuitive search and discovery platform, it offers instant access to an extensive library of full-text and bibliographic resources across major medical specialties. Purpose-built for clinical workflows, it simplifies information access and helps clinicians stay current with the latest clinical advancements.

### Supporting institutional needs

Designed with healthcare organizations in mind, Ovid® Clinical Edge offers flexible package options that allow institutions to build a comprehensive, cost-effective collection of essential medical resources. Integrated search tools and time-saving features streamline decision-making, helping organizations deliver better patient care while maximizing their investment in trusted clinical information.

Core content — Available in all Ovid® Clinical EDGE collections:

#### Suite of LWW Current Opinion Journals\*

- Access a 2-year rolling subscription to 11 Current Opinion journals from Lippincott®: Cardiology, Nephrology and Hypertension, Endocrinology, Diabetes and Obesity, Obstetrics and Gynecology, Gastroenterology, Oncology, Hematology, Pediatrics, Infectious Disease, Pulmonary Medicine, and Rheumatology.

#### Ovid MEDLINE®

- The most comprehensive biomedical database with citations from nearly 5,600 journals worldwide — updated daily

#### A to Z Drug Facts

- Drug monographs covering pharmacological and patient care considerations, including action, indications, contraindications, route/dosage, and more, searchable by generic or brand name

\*Expanded package options available for access to additional clinical journals and eBooks!  
*Ask your Ovid sales rep for more information.*

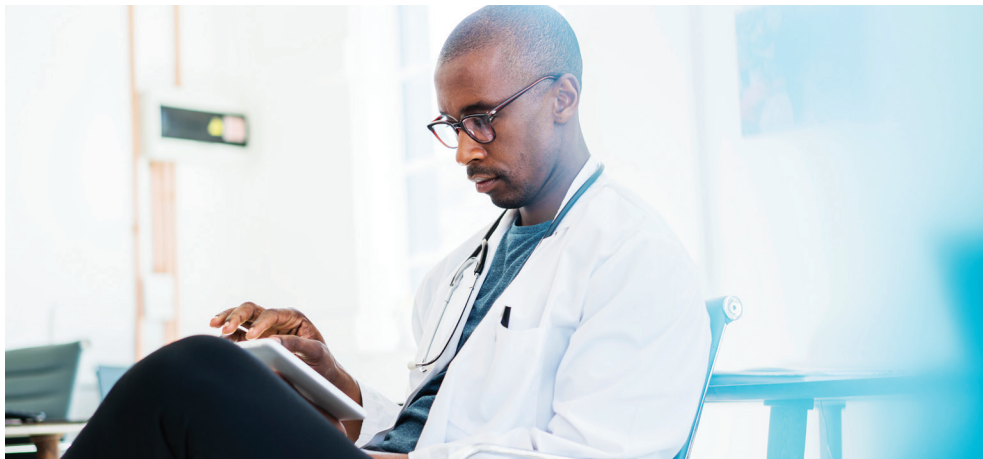

## Why Ovid® Clinical EDGE?

- Build your electronic resource portfolio with access to a cost-effective package of clinical and bibliographic content.
- Quickly locate information with productivity tools and intuitive navigation.
- Stay current with auto-alerts and eTOCs
- Multiple package options available to fit the needs of your institution – select the collection that's right for you!

## Choose an Ovid® Clinical EDGE package with Ovid Discovery Lite for additional benefits:

- Dual access on Ovid Discovery Lite and the traditional Ovid platform
- A-Z browsing for your included Ovid content
- Full-text indexing of all Lippincott Williams & Wilkins (LWW) content
