Content Management Solution

Expertise you can trust

The CCH Parliament team has more than 50 years' combined experience in political and regulatory environments, domestically and abroad. Our specialist team work from Parliament House in Canberra.

“When I started out in this business over 20 years ago it was pre-internet. Believe it or not our alerts used to be hand delivered in envelopes. Today, we’re providing carefully curated daily email alerts and we have almost 30,000 followers on X (formerly Twitter) who turn to us for political alerts.”

Michael Anderson, Operations Manager, CCH Parliament

Why CCH Parliament?

CCH Parliament is Wolters Kluwer's leading real-time political and legislative monitoring platform, delivering actionable insights to thousands of government relations, policy advisors, corporate affairs and public relations professionals across Australia and New Zealand.

Unmatched speed. Comprehensive Coverage

4+ hours ahead

Government announcements reach subscribers an avg. of 4+ hours before public availability

10+ hours ahead

Opposition & minor party releases reach subscribers often 10+ hours before appearing online

215 alerts daily

Delivered daily from 180+ unique sources, ensuring comprehensive coverage

Better Search. Boost productivity

Keyword search

Across Political Alert news items and source documents.

View search history

Save time without having to repeat past searches.

Link sharing*

Fast-track discussions, inform strategy and decision making within your organisation

*Available for subscribers

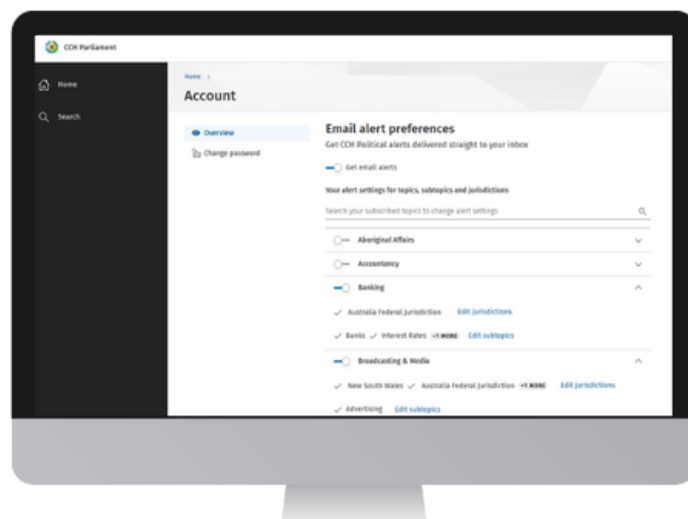

Greater flexibility. Self-management

Choose from 57 topics and 600 sub-topics across Australia and New Zealand. You can also self-manage turning email alerts on/off and manage which topics you'd like to see.

Plus*:

- Daily/weekly bill tracking

- Federal Political Briefing

*Available in Australia only.

CCH Political Alert

CCH Political Alert provides immediate, customised and unbiased political monitoring so that organisations are empowered to rapidly respond to political developments across Australia and New Zealand.

The political alerts are delivered via email in real-time, within minutes of the event and provide a summary of the political event as well as the content source.

Choose from 57 topics and 600 sub-topics to create customised alerts for your organisation.

What content will I receive?

- Press releases and announcements, interview transcripts and speeches
- Legislation and regulation (includes alerts on Bills, Acts, Regulations, Gazettes, Rulings)
- Transcripts of parliamentary and committee proceedings (includes Hansard extracts, Programs)
- Reports and publications

What's included:

- Alerts delivered via email covering political, government and legislative information tailored to your needs.
- Enhanced, CCH Parliament website experience including keyword search, social media feed at @politicalalert.bsky.social, access to archived political alerts and more.
- Access to research support, document retrieval and media release distribution services.

“As a long-standing client of CCH Parliament, it is a useful resource because it provides us with insights and access to everything that government, corporates, industry associations and consumer groups are releasing in the public arena on hot topics such as financial services, consumer regulation and economic indicators”

George Karagiannakis, Executive Manager - Government & Industry Affairs, IAG

Political News

Available in Australia only

How and when people need Australian political news is varied, with CCH Parliament we've got this covered. Pick from our services that range from summaries to in-depth reports. Whichever service you choose you can be assured you are getting accurate and timely news.

National Daily Headlines

A daily summary report of Australian political, government and legislative news across all jurisdictions. All topics are summarised in one easy-to-read newsletter. This service does not include transcripts, files or full articles.

Political Updates

A weekly summary report of Australian federal political, government and legislative news. Select which state, territory or federal report you want to subscribe to. This will be provided in one single weekly newsletter. This service does not include transcripts, files or full articles.

Federal Political Briefing

A fortnightly report that covers the latest major Australian federal political, government and regulatory developments. This in-depth report provides journalistic content written by our expert political commentator and includes a political overview, parliament and public service developments, opinion poll and policy analysis.

"Seeing the raw data as it comes in allows you to make real-time judgements about what matters and what doesn't. That's something filtered news cannot do"

**Belinda Dennett, Head of
Government Relations,
Airtrunk**

**Experience it for yourself.

Bill Trackers

Available in Australia only

Keep track of Federal, New South Wales or Victoria bills as they move through Australian Parliament. Subscribers receive a Daily Bills List each day Parliament is sitting and a Bill Tracker on the Friday of each sitting week, summarising the progress of all Bills before Parliament.

Government Directories

Available in Australia only

Knowing who and how to contact the person you need will save you time and energy in this fast-paced political landscape. Make the process easy with Australian Government Directories, providing you with up-to-date contact information for the latest Ministerial contacts in the Federal, New South Wales and Victorian Parliament and Government. Updated four times a year so you always know who to contact for your political needs.
