

# LWW Health Library: Clerkship/Clinical Rotations

## Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

**LWW Health Library: Clerkship/Clinical Rotations** offers a comprehensive content collection targeting each of the core clinical rotations, from Internal Medicine to OB/GYN. Ideal for seeing principles in action with patients and prepping for board exams.

## Essential Training for Medical Students During Clinical Rotations

### LWW Health Library: Clerkship/Clinical Rotations Collection includes:

- Over 40 textbooks covering the core clerkship rotations of Internal Medicine, OB/GYN, Pediatrics, Surgery, Family Medicine, and Psychiatry (*see full title list on reverse*)
- Selected books from the clerkship-specific series — Step-up, Recall, Blueprints, Shelf Life, and BRS (*Not currently available on Books@Ovid*)
- More than 4,700 self-assessment questions for identifying areas where users need the most support
- Over 150 case studies presenting real-world scenarios of the concepts in the textbooks
- Content updated regularly!
- Key titles: Clinical Epidemiology; Medical Physiology; Reuben's Pathology.

### Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice

- **Highly-rated references:** Trusted, core texts from Lippincott Williams & Wilkins, making it a one-stop, digital portal for authoritative content paired with industry-leading functionality
- **Account personalization:** Ability to save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing:** Ability to create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **Ovid MEDLINE<sup>®</sup> widget:** Connects students to valuable primary literature with an exclusive search widget, which returns targeted results and article previews
- **Advanced semantic search:** Results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Ability to browse content on your computer, tablet or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments that give learners control over their progress and motivation to learn
- **Sharing:** Much content, including technical videos, that can be shared with colleagues and classmates
- **Print/save a chapter:** Downloadable chapters via PDF, for easy access to content when offline — for note-taking or to print
- **Multimedia ancillary content:** Videos, images, Q & A, patient education handouts, and more
