

iLien Managed Package for nCino®

# Streamline your loan process with iLien managed package: Fast, efficient, reliable

Designed for a seamless user experience, the iLien Managed Package for nCino® helps lenders increase efficiency and reduce risk by integrating UCC Filing and UCC Search management within the nCino loan origination system. This results in faster, more accurate loan processing, and enhances both customer and staff experience.

This Salesforce-managed package helps lenders to:

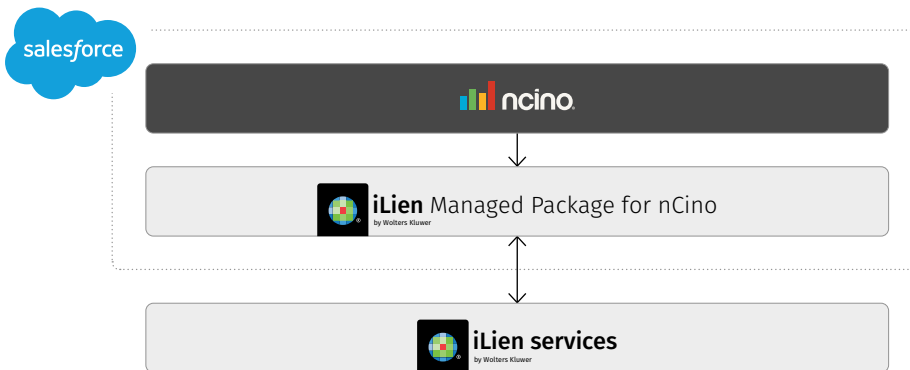

- Conduct search and filing from nCino loan origination system (LOS)
- Eliminate re-keying and reduce errors by enabling end-to-end workflow within the LOS
- Reduce reliance on legacy APIs, lowering maintenance costs
- Scale operations
- Keep a repository of search results and filings within nCino

## Business value

- ✓ Search and file within nCino
- ✓ Increase productivity
- ✓ Reduce loan close time
- ✓ Scale operations

## Complementary solutions
