Breast Cancer
Colorectal Cancer

Clotting

Disseminated Intravascular Coagulation

Cognition

Alzheimer Disease/Dementia
Delirium
Psychosis

Comfort

Pain

Communication

Conflict Resolution
Documentation
Lateral Violence
Situation, Background, Assessment,
Response (SBAR)
Therapeutic Communications

Community

Disaster Preparedness
Environmental Health Assessment
Vulnerable Populations

Culture

Cultural Competence and Self-Awareness

Development

Nursing Implications of Individual
Developmental Stages

Elimination

Bladder Incontinence and Retention
Bowel Incontinence

Ethics

ANA Code of Ethics

Evidence

Practice Guidelines

Fluid and Electrolyte Imbalance

Acute Kidney Injury (AKI)
Chronic Kidney Disease (CKD)

Fractures

Fractures
Spinal Cord Injury/Defects

Function Ability

Functional Assessment Across the Lifespan

Gas Exchange

Asthma
Atelectasis
Chronic Obstructive Pulmonary Disease
(COPD)
Pneumonia

Genomics

Cystic Fibrosis

Grief

End of Life

Health Policy

Agencies that Set Policy
Healthy People 2030

Health Promotion

Exercise Education Across the Lifespan
Hand-washing
Immunization Clinics
Nutrition Education Across the Lifespan
Screening
Smoking Cessation Programs
Weight Reduction

Healthcare Delivery System

Local Agencies

Healthcare Disparities

Social Determinants of Health

Healthcare Economics

Cost of Patient Care Episode
Financing Access

Healthcare Law

Health Insurance Portability and
Accountability Act (HIPAA)
Nurse Practice Act

Healthcare Quality

Core Measures
Error Prevention Strategies to Improve
Healthcare Quality
Quality Plans and Philosophies

Immunity

Human Immunodeficiency Virus (HIV)
Systemic Lupus Erythematosus (SLE)

Individual

Patient-Centered Care

Infection

Cellulitis
Methicillin-Resistant Staphylococcus
Aureus (MRSA)
Respiratory Syncytial Virus (RSV)
Sepsis
Urinary Tract Infection (UTI)

Inflammation

Inflammatory Bowel Disease

Intracranial Regulations

Cerebrovascular Accident (CVA)
Seizures
Traumatic Brain Injury

Leadership

Change Management
Delegation
Team Building

Metabolism

Diabetes Mellitus
Exogenous Adrenocortical Dysfunction
Thyroid Imbalances

Mood and Affect

Major Depression
Mania and Hypomania
Postpartum Depression
Suicide

Nutrition

Under-nutrition

Perfusion

- Heart Failure
- Hypertension (HTN)

Professional Identity

- Clinical Judgment/Reasoning
- Nursing History
- Nursing Process

Reproduction

- Family Planning/Contraception
- Intrapartum and Birth Overview
- Newborn Health Promotion
- Newborn Nutrition
- Postpartum Health Promotion
- Preconception and Antepartum Health Promotion

Safety

- National Patient Safety Goals (NPSG)
- QSEN (Quality and Safety Education for Nurses) Safety Competency

Sensory Perception

- Cataracts
- Conductive and Sensorineural Hearing Loss
- Glaucoma
- Macular Degeneration
- Myopia and Presbyopia

Sexuality

- Sexually Transmitted Diseases (STDs) and Sexually transmitted Infections (STIs)

Spirituality

- Spiritual Beliefs
- Relationship to Health and Illness

Stress & Coping

- Posttraumatic Stress Disorder (PTSD)

Technology & Informatics

- Clinical Healthcare Informatics
- Consumer Health Informatics
- Indirect Nursing Care Delivery
 - Technology: Electronic Health Record (EHRs)
- Indirect Nursing Care Delivery
 - Technology: Telehealth Tools

Thermoregulation

- Hyperthermia (Environmental vs. Disease Process)
- Hypothermia (Exposure)

Tissue Integrity

- Pressure Ulcers
- Surgical Incisions
