American Psychological Association (APA) Resources

APA PsycInfo®, APA PsycArticles®, APA PsycBooks®, APA PsycExtra®, APA PsycTests®, and APA PsycTherapy®

Uncover the broad spectrum of content from the APA on Ovid®.

Ovid® is the researcher's first choice for electronic access to comprehensive scholarly, clinical, and training material in psychology. Resources on Ovid from the American Psychological Association (APA) cover the entire spectrum of topic areas in psychology, from addiction and stress to child psychology. Rely on the precision search and discovery functionality of Ovid to expand the scope and field of searching, so you can uncover the most relevant information first.

Why APA Resources on Ovid®?

- Get seamless access to scholarly material, including multimedia, from the American Psychological Association, one of the world's leading authorities on general and clinical psychology.

- Quickly and easily explore bibliographic, full-text, and video sources through a single, fully integrated platform.

- Simultaneously search APA products — plus additional relevant Ovid databases, journals and books — for a complete research experience.

- Narrow search parameters with Clinical Query search limits.

- Stay current on the latest theoretical findings and uncover important archival resources with AutoAlerts and eTOCS delivered via RSS feed.

- Get precise results quickly with our psychology lexicon, which combines the power of APA's Thesaurus of Psychological Index Terms with our proprietary Basic Search natural language processing.

Ovid®
Transforming research into results

Ovid® is your complete online research solution, offering a single, online destination where you can search, discover and manage the critical information you need to streamline your research productivity and your work.

- Work the way you want to work with a variety of search modes and customizable work productivity and content alerting tools.

- Save and manage critical research findings and documents in a personal Workspace on Ovid, called "My Projects"

- Search all Ovid resources — books, journals, and databases — simultaneously with just one query.

- APA Term Finder available for all APA databases on Ovid.

Wolters Kluwer

ovid.com
