QUALITY & SAFETY INITIATIVES

- Core Measures
- National Guidelines
- Sentinel Events

Lippincott Advisor®

Lippincott Advisor and Your Institution

When used in conjunction with the curriculum, *Lippincott Advisor* helps faculty build student competency and confidence by:

- Teaching to the latest content that reflects the most current evidence and practice standards found in hospitals today.

- Providing smart links from summarized content back to the deep-dive research materials available in your organization's library for further reading and research.

- Including test and assignment capabilities, so users and instructors can easily assess, track, and validate clinical competency at the point-of-care.

- Offering easy access to trusted, evidence-based information not easily obtained from other sources.

- Saving your nurses and students time locating the information they need—*Lippincott Advisor's* up-to-date, interlinking entries with evidence-based references put answers in front of nurses and students preparing for wards, clinical rounds, simulations, and tests.

Lippincott Advisor can accelerate your nursing curriculum with:

- Patient Teaching Navigator
- Cultural Perspectives
- Discharge Plans

- Quality & Safety Measures
- Core Measures—
  "what the nurse should do"

Get your students started today, with instant online access to:

- Actionable, evidence-based practice information, synthesized for easy and immediate use.
- Over 17,000 synthesized, evidence-based monographs and patient teaching handouts—continually updated to reflect the most current evidence and practice standards.
- Industry-leading technology that leads students through the critical thinking process.
- Links to sources such as PubMed Central®, Ovid®, and your organization's library for further reading and research.

"Lippincott Advisor is our gold standard."
