

American Academy of Neurology (AAN) Journals on Ovid®

The American Academy of Neurology (AAN) is dedicated to promoting the highest quality patient-centered neurologic care and scientific discovery through education, research, advocacy, and practice resources. Its journals deliver authoritative content for a wide range of healthcare professionals, policy makers and healthcare administrators who shape care delivery and practice.

Why AAN journals on Ovid?

• Trusted neurology resources

AAN journals are among the most respected in the field, relied on by neurologists, researchers, and health professionals worldwide. They offer trusted, evidence-based insights that guide clinical decisions and advance neurologic science.

• Comprehensive clinical & research coverage

From cutting-edge research in neuroscience to practical guidance for patient care, these journals span the full spectrum of neurology. Topics include diagnosis, treatment strategies, health policy, quality improvement, and more.

• Convenient access & collection building

Add these leading neurology journals to your institution's digital library and instantly expand your electronic content — ensuring streamlined access to essential literature for all users supporting neurological care.

Enjoy the benefits of the Ovid® platform:

- Take advantage of a variety of search modes — including natural language — and customizable features, functionality, and tools.
- Search simultaneously across all your Ovid fulltext, bibliographic, Open-Access, and multimedia content using just a single query.
- Organize and manage all Ovid and non-Ovid research in a dedicated work area.
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds.
- Use search filters for fine-tuning and refining searches.
- Access award-winning, 24/7 consultative support services in 20+ languages.

The *Neurology* & *Neurology Clinical Practice* bundle on Ovid®

Access *Neurology*® and *Neurology: Clinical Practice*®, together in a convenient package on Ovid, for an integrated resource offering comprehensive coverage of peer-reviewed research, clinical standards, and actionable guidance essential for advancing neurologic practice.

***Neurology*®**

Impact Factor: 9*

AAN's flagship journal is recognized as a leading clinical neurology journal worldwide, by publishing cutting-edge, peer-reviewed research and authoritative content that shapes clinical practice. Directed to physicians and specialists concerned with diseases and disorders of the nervous system, the journal emphasizes knowledge that influences patient care and scientific progress.

Editorial content includes original research articles, clinical/scientific notes, reviews, AAN position papers, and engaging features such as NeuroImages, Historical Neurology, and Disputes & Debates. Online-exclusive multimedia content makes the digital edition the definitive version of the journal.

***Neurology: Clinical Practice*®**

Impact Factor: 3.4*

Focused on practical application, it helps clinicians deliver unbiased, high-quality care for all neurologic patients, prioritizing content that addresses quality, patient outcomes, and practice-related issues. It features best practices, evidence-based research, and articles on topics that directly impact everyday clinical decision-making.

Also available from the AAN on Ovid®

***Continuum: Lifelong Learning in Neurology*®**

The official CME journal of the American Academy of Neurology aids neurology professionals in improving clinical care and demonstrating continued competency. Each bimonthly issue contains up-to-date knowledge around a single topic area in neurology.

***NeurologyToday*®**

This journal reports on breaking news, issues, and trends in the practice and science of neurology, delivering current and authoritative reporting and commentary for today's busy neurology professionals. Published twice a month, it also provides readers with the inside track on key information from the AAN, *Neurology*, and other peer-reviewed neurology and medical journals.

Open-access journals from the AAN on Ovid

- *Neurology: Open Access*
- *Neurology Education*
- *Neurology Genetics*
- *Neurology: Neuroimmunology & Neuroinflammation*

Award-winning support and consultative services

Ovid's award-winning support teams help implement tools into your library for the most optimized deployment, promotion, training, configuration, and customization.

Support is available 24/7 in over 20 different languages.

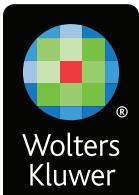

The global Customer Engagement team has attained best-in-class recognition through Omega Management Group's NorthFace ScoreBoard Award™ for superior customer satisfaction scores for over a decade.
