

# RASi

by Wolters Kluwer

**Reliability Proven. Trust Earned.**

## Why RASi?

RASi goes beyond the basic Registered Agent requirements by providing custom notifications, unparalleled customer service, and innovative technology based management systems to assist in the handling of service of process.

### Single Point-of-Contact

The simplicity of having one company providing services is not only convenient and efficient, but provides you with accountability.

### Future Growth

Whatever your future growth plans may entail, we are available to serve you with experience and knowledge in each and every state that your business expands into.

### Volume Discounts

Save more money with our volume discounts available to all clients with multiple entities or operating a business in more than one state.

### Consolidated Invoicing

With one annual renewal invoice, you avoid the headache of managing multiple vendors with multiple billing anniversaries.

## Our Robust Online Tools

When you partner with us, we give you the tools to simplify managing your entity information and corporate compliance. Our tools are designed with your needs in mind and are the most user friendly in the industry.

### Compliance<sup>®</sup> Online Suite Features Include:

#### Entity Manager

- Entity Profiles
- Business Registrations
- Officer & Director Records
- Assumed Business Names
- Online Document Storage

#### Compliance Task Calendar

- Monitor Compliance Events
- Unlimited Custom Events
