BizFilings 5 simple steps to online incorporation

Quality check

We ensure that all the information you provided during the order process meets state requirements.

Name check

We confirm the business name you've selected is available in your state of incorporation.

Documents filed

We prepare your incorporation documents and send them to the state agency. Once approved, they are immediately available in our Online Status Center.

Documents delivered

Your filed documents, once received, will be uploaded to your Online Status Center for easy access.

Post-incorporation and ongoing support

We can research the licenses and permits your business may need, and can continue to meet ongoing requirements such as filing annual reports or renewing business licenses.
