PRESS RELEASE

Wolters Kluwer to divest German consumer tax business

Alphen aan den Rijn – October 30, 2026 – Wolters Kluwer, a global leader in information solutions, software and services, announces it has signed an agreement to sell its German consumer tax business for €40 million.

Wolters Kluwer today has signed an agreement to divest Wolters Kluwer Steuertipps GmbH (Steuertipps) to Buhl Data Service GmbH.

The divestment allows Wolters Kluwer Tax & Accounting to further sharpen its strategic focus on professional markets, where we see the strongest opportunities for synergies, sustainable long-term growth, and returns.

Steuertipps is expected to have gross revenues of approximately €30 million (un-audited) in 2026. The transaction is expected to close in the next few days.

Forward-looking Statements and Other Important Legal Information

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; conditions created by pandemics; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
