Map to Registered Agent

Directions: From Kayenta, take US-160 east on the long straight road and up the hill. Once you get on top of the hill, there is a junction where US-160 and Route 59 intersect. Take Route 59 south towards Chilchinbeto. Once you get to the Chilchinbeto Junction, continue on Route 59 about six miles east near Mile Post 25. A short distance from Mile Post 25, there will be a turn off (south of the highway) with an orange gate that leads to a dirt road. Drive about a mile south on the dirt road. When the road forks, turn right and the road will take you to the registered agent's residence that has a hogan near it.
