

CASH Workflow

You are under growing pressure to grow profitability while reducing operational risk in an increasingly competitive environment. Implementing the right workflow solution can meet those challenges.

End-to-end workflow solution

Manages the entire lending process from start to finish in a single platform.

Intuitive design

Built for ease of use, providing clarity and simplifying complex lending workflows

Increased efficiency

Streamlines loan processing to reduce delays and improve productivity

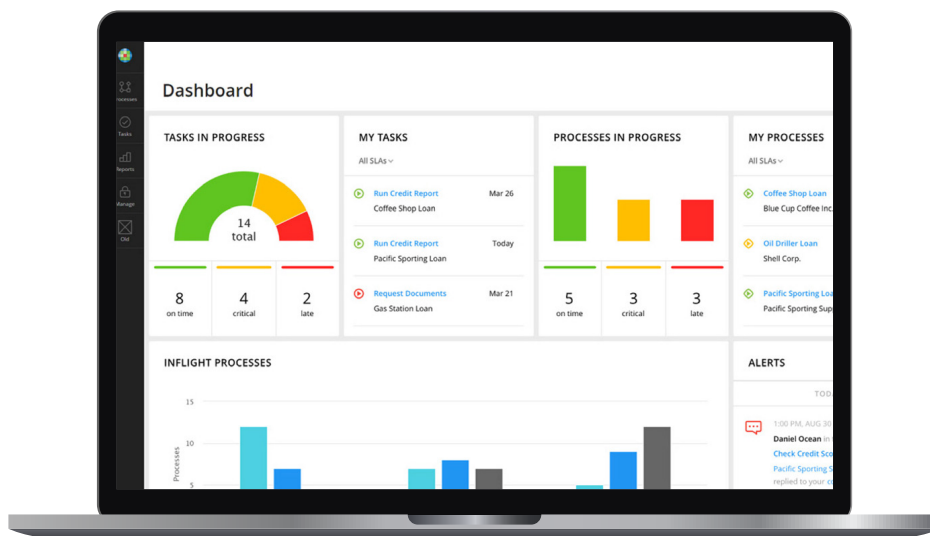

Real-time visibility

Offers instant insight into current loan status and full work history for better tracking and accountability

Remain competitive in today's commercial lending market by optimizing your loan processes

CASH Workflow is part of CASH Suite™, a powerful commercial lending software solution that helps business lenders increase profits and grow top-line revenue by achieving straight-through processing across every step of the commercial loan lifecycle. CASH Suite drives increased efficiencies and greater accuracy while reducing operational risk and enhancing profitability. CASH Workflow gives you instant visibility and control into your commercial lending process.

With CASH Workflow you can:

-  Achieve complete automation of your workflow — end-to-end
-  Eliminate re-entry of data into various systems or files
-  Eliminate manual tracking of loans through the lending process

Common challenges:

-  Do you have a standardized, documented loan process so you can measure performance and outcomes?
-  Do you have full visibility into the loan process to provide status updates to management or clients?
-  Can you identify bottlenecks in your process that may be slowing your pipeline?

For more information on how CASH Suite and CASH Workflow can help you strengthen your business lending portfolio and accelerate your success, call **800-397-2341** or visit wolterskluwer.com/CASH →
