### **Legal Counsel and Use of Product**

Changing regulatory requirements and business practices requires that WKFS periodically review and update our solutions for compliance and business relevance. WKFS strongly recommends that lenders seek the advice of their own legal counsel concerning the use and legal sufficiency of the Solution and all other WKFS products. If your interpretations or those of your counsel are contrary to WKFS' interpretation, you should of course follow your/your attorney's interpretations in using the Solution.

We may revise the Solution, its features, or how it is used at any time, without notice. If you have any comments or suggestions regarding the use or content of

WKFS products, or questions regarding the current revision date(s) of our products, please direct all correspondence to:
