Motor Vehicle Services

Law firms rely on our motor vehicle experts for full-service outsourcing solutions

Do you have a client who is acquiring or refinancing a fleet of vehicles? Originating, transferring, or releasing titles and liens doesn't have to be a complex, cumbersome experience.

Three reasons to outsource your motor vehicle needs to Lien Solutions:

1. **Reduced rate of rejection so your clients can get secured quicker** – DMV transactions can be complex, but with our expertise everything gets done right the first time, from completing all necessary documentation to disbursing the proper fees. The result? Fewer rejections for quicker matter resolution.
2. **Expert knowledge you can trust** – We have teams who are 100% dedicated to motor vehicle transactions. Our motor vehicle experts ensure that all paperwork, documentation and details are completed quickly and accurately.
3. **Personalized, reliable, responsive service** – Working directly with the DMV can be challenging and complex. Our motor vehicle service teams ask the right questions and research your requirements when necessary, so you benefit from accurate, trusted service. We file and coordinate all information with the DMV, so you don't have to. Plus, we handle any issues that arise, and proactively keep you updated on our progress.

Lien Solutions can take the complexity out of motor vehicle transactions. Call 800.342.3676, ext. 1344055 to learn more, or email liensolutions.dmvteam@wolterskluwer.com.
