
The New England Journal of Medicine on Ovid®

The most trusted source of medical knowledge in the world, available on both Ovid® and NEJM.org

It's difficult to top the influence of the *New England Journal of Medicine* (NEJM) — one of the most cited journals in the field of medicine. For decades, physicians, medical residents and students, and anyone involved in policy and industry have relied on NEJM for peer-reviewed articles addressing pioneering biomedical research and clinical best practices.

The *New England Journal of Medicine* (NEJM), the flagship publication of the NEJM Group content portfolio, is now only available online to institutions via the Ovid® platform — and subscribers have access to content on both Ovid and NEJM.org.

Why NEJM on Ovid?

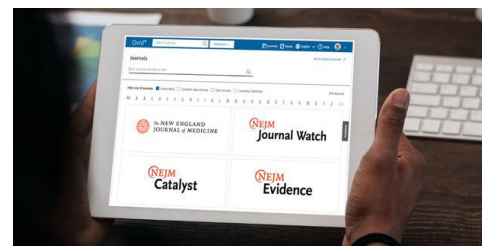

- Groundbreaking original research, review articles, and other content published since 1990
- Dual access to the journal on BOTH Ovid and NEJM.org; easy linking between platforms
- Instructional videos, audio interviews with clinical experts, teaching and learning materials, and other multimedia accessible on NEJM.org
- Analytics to monitor journal usage on both NEJM.org and Ovid
- Single-query cross-searching of all NEJM Group resources on Ovid as well as other Ovid subscriptions
- Email alerts on latest news and just-published articles and issues
- Precise, natural-language searching for quick information discovery
- Time-saving results management, sharing, and annotation tools
- Availability of articles prior to the printed publication
