Agenda

- Introduction
- Financial Review
- Strategic and Operating Review
- Outlook 2016
- Appendix

Divisional outlook 2016

| Health | Another year of good organic growth, supported by robust growth in Clinical Solutions and gradually improving trend in Health Learning, Research & Practice Expect slight margin improvement as we continue to invest to drive growth |
|----------------------------------|--|
| Tax & Accounting | Expect underlying revenue growth to improve slightly, driven by continued mix shift towards software solutions Margin expected to ease in the first half, but to be maintained for the full year |
| Governance, Risk & Compliance | Expect positive but slower organic growth, due to challenging comparables for transactional and non-recurring revenues, particularly in the first half Margins expected to improve slightly |
| Legal & Regulatory | Expect organic revenue decline similar to 2015, with print trends continuing to outweigh digital growth. First half growth to benefit from timing and one-offs Margin expected to improve due to lower restructuring costs. Efficiency savings are expected to fund wage inflation and increased investment |

Guidance 2016

| Performance indicators | FY 2016 Guidance |
|----------------------------------|-------------------------|
| Adjusted operating profit margin | 21.5%-22.0% |
| Adjusted free cash flow | €600-€625 million |
| Return on invested capital | > 9% |
| Diluted adjusted EPS | Mid-single-digit growth |

Guidance for adjusted free cash flow and diluted adjusted EPS is in constant currencies (EUR/USD 1.11). Guidance for EPS growth assumes the announced share repurchases are equally spread over 2016-2018. Adjusted operating profit margin and ROIC are in reported currency.

Additional information:

Expect adjusted net financing costs of approximately €105 million, excluding the impact of exchange rate movements.

Expect the benchmark effective tax rate to return to the range of 27% - 28%.

Expect a cash conversion ratio of approximately 95%, with capital expenditure rising to around 5% of total revenue.
