

LWW UpToDate Reviewed Journals Collection

Efficiently expand your electronic journal collection with this curated set of over 60 essential titles from Lippincott®, covering a wide range of clinical research fields — including oncology, surgery, epidemiology, neurology, and more. Each journal in the collection has been vetted and cited in UpToDate® topic reviews, which are written by practicing clinicians and physicians who synthesize the latest evidence and literature into concise, evidence-based insights for quick reference at the point of care.
