

Lien Solutions

The filings that keep you perfected

Search | **File** | Manage

Your partner in perfection

Sound lending depends on being fully protected, and that means ensuring perfection. Filing a public notice to your interest in an asset can have a big impact on your position for repayment. But, ensuring perfection can be a complex process, requiring you to comply with varying requirements across jurisdictions.

Lien Solutions provides complete nationwide filing services for loan- and lease-related documentation.

Powered by our web-based iLien service, you can prepare and process Uniform Commercial Code (UCC) and other filings, as well as manage them in your online portfolio. As the largest filer in the country, we handle thousands of filings every day, providing flexible solutions for clients no matter the scale. We pass the benefits of extensive experience to you—to speed your workflow, increase accuracy and achieve better results.

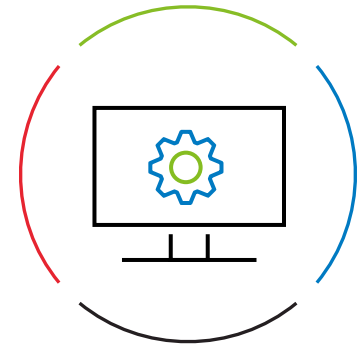

Speed and efficiency

Lien Solutions streamlines the entire preparation, filing and recording process. We've turned our decades of experience into automated tools that help you work smarter and faster. You can take advantage of cutting-edge technology with our iLien platform – without the cost of software and the hassle of upgrades. These capabilities translate into real benefits to you:

- Lower costs and less time—reduce time spent by 60 to 90 percent
- Save dramatically with eFiling
- No need to prepare lengthy forms or research the widely varying filing requirements in different jurisdictions
- Get quicker acknowledgements from jurisdictions
- Use our web-based platforms to do it all—a single source for your workflow
- Increase your confidence: Greater accuracy means fewer errors so you are fully compliant

We handle a range of filing types, including:

- ✓ UCC-1
- ✓ UCC-3 (Amendments, Continuations, Terminations, Assignments)
- ✓ Purchase Money Security Interest (PMSI)
- ✓ Canadian Personal Property Security Act (PPSA, Canadian filings)
- ✓ Effective Financing Statement (EFS)

Our fully automated system does it all for you—minimizing filing errors, rejection rates, and missed deadlines.

Focused and flexible

Lien Solutions provides a smarter, more streamlined and integrated iLien process. Speed is essential, and our time-sensitive electronic processing helps you meet filing deadlines and close transactions more quickly. With iLien, you get a single access point for everyone involved in a particular transaction, with updates reflected in the portfolio immediately. As you work, process controls and tracking make it easy to keep tabs on the status of filings. We also provide ways to eliminate redundant steps – you're able to reuse data for subsequent filings. Simply eliminating the need to re-enter data can lead to major gains in both productivity and accuracy.

Discover the benefits of having a responsive, expert partner

Lien Solutions is the unsurpassed market leader in UCC filings and searches, and a pioneer of UCC filing automation. Providing comprehensive lien management, debtor due diligence and monitoring and risk management solutions, Lien Solutions works with lenders, corporations and other lending organizations to help protect and optimize your security interests. Our dedicated support team is ready to assist you at every step—from account setup, to installation and training, to ongoing technical support. As you make the most of our tools to manage your portfolio, help is just a phone call away.

Whether you do 100 filings or 100,000, we support you with an expert service team of specialists who understand the legal requirements and administrative procedures of each filing jurisdiction.

Contact Lien Solutions to schedule a demonstration of our iLien File offerings. There's no cost or obligation.
