Top 10 journals in
Urology & Nephrology

Why LWW High Impact Collection?

- Obtain access to premium full text articles from one of the world's most renowned publishers.
- Many journals are official titles of prestigious societies and associations and among the top-ranked in their categories.
- No journals in the collection are under any embargoes.
- Get access to critical content from selected journals before they are available in print.

Enjoy the benefits of the Ovid® platform:

- Take advantage of a variety of search modes — including natural language — and customizable features, functionality, and tools.
- Search simultaneously across all your Ovid full-text, bibliographic, open access, and multimedia content using just a single query.
- Organize and manage all Ovid and non-Ovid research in a dedicated work area.
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds.
- Search filters are included for fine-tuning and refining searches.
- Tables of contents are viewable for all of the journals in Journals@Ovid.
- Enjoy dual platform access to titles via Ovid and LWW, select titles on Atypion.
- Download MARC records for any journal for your OPAC.
- **NEW!** AI article summaries on proprietary Lippincott journals* capture the essential details of articles in a consistent format.

**not included for closed frontfiles*
