

JCO[®] Digital Library

Since 1964, the American Society of Clinical Oncology (ASCO) has led the world in advancing cancer care by providing top-tier resources in education, policy, clinical research, and practice.

Now, whether you're a student, resident, educator, new clinician, or veteran oncologist, you can access all six JCO journals — including the flagship **Journal of Clinical Oncology**[®] — plus the ASCO[®] Educational Book, as a bundled collection on Ovid. This convenient package ensures comprehensive coverage of clinical practice, global oncology, precision medicine, cancer informatics, and healthcare delivery — all in one place.

Why JCO[®] Digital Library on Ovid[®]?

- **Trusted oncology resources**

JCO journals are among the most respected in the field, relied on by clinicians, researchers, educators, and policy makers. The bundled collection supports a wide range of users — including oncologists, nurses, faculty, and students — with reliable access to the latest clinical discoveries.

- **Comprehensive and global coverage**

The collection features original research, theoretical breakthroughs, innovative studies, and expert reviews and insights on topics and areas in cancer care: treatments and therapies, clinical trials, socioeconomics, health policy, and more. Open-access content is also included, focused on cancer care in resource-limited settings, broadening the impact of oncology research worldwide.

- **Convenient access and collection building**

Add premier oncology journals to your digital library for instant expansion of your electronic content. The bundled format ensures simultaneous searching of all five titles, plus other Ovid-subscribed content, giving you streamlined access to all your essential research in cancer care and beyond.

Unique bundle of all 6 JCO[®] journals available on the Ovid platform

Enjoy the benefits of the Ovid[®] platform:

- Take advantage of a variety of search modes — including natural language — and customizable features, functionality, and tools.
- Search simultaneously across all your Ovid fulltext, bibliographic, open access, and multimedia content using just a single query.
- Organize and manage all Ovid and non-Ovid research in a dedicated work area.
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds.
- Use search filters for fine-tuning and refining searches.
- Access award-winning, 24/7 consultative support services in 20+ languages.

Journal of Clinical Oncology[®]

Impact Factor: 43.4*, Ranked #6 of 328 in Oncology!

ASCO's peer-reviewed flagship journal is a leading source of high-quality research and clinical content in oncology. *JCO* publishes impactful original reports, editorials, reviews, expert commentaries, and more that inform and advance cancer care. It is essential reading for professionals across oncology disciplines and subspecialties.

JCO[®] Oncology Practice

Impact Factor: 4.7*

The mechanics of practice and keeping readers current on developments, breakthroughs, and challenges in high-quality care delivery are the focus of this journal. A wide variety of perspectives are included — socioeconomics, clinical trials, health policy, ethics, health services, improvement, and more.

JCO[®] Precision Oncology

Impact Factor: 5.8*

This journal features original research, reviews, and expert commentary focused on genomics and biomarker-driven cancer care. Content includes innovative studies on tumor molecular profiling, targeted therapies, computational approaches, evidence-based case reports, and more — providing actionable insights for personalized cancer treatment.

JCO[®] Clinical Cancer Informatics

Impact Factor: 2.8*

This interdisciplinary journal provides continuous publication of research based on biomedical informatics methods, studies, and processes applied to cancer-related data, information, and images.

JCO[®] Global Oncology

Impact Factor: 3.3*

This open-access journal focuses on cancer care, research, and care delivery issues unique to countries and settings with constrained healthcare resources. It addresses global disparities and innovative approaches to care in underserved settings.

JCO[®] Oncology Advances

This open-access journal publishes cutting-edge clinical and translational research, striving to make global scientific advancements accessible to a broader audience — including clinicians, community oncologists, patients and patient advocacy groups.

ASCO[®] Educational Book

Published annually since 1985, this resource delivers peer-reviewed commentaries and scholarly reviews on practice-changing oncology research, covering all cancer types, and exploring new therapeutics, treatment regimens, and clinical care innovations.

Award-winning support and consultative services

Ovid's award-winning support teams help implement tools into your library for the most optimized deployment, promotion, training, configuration, and customization.

Support is available 24/7 in over 20 different languages.

The global Customer Engagement team has attained best-in-class recognition through Omega Management Group's NorthFace ScoreBoard Award™ for superior customer satisfaction scores for over a decade.

Own the archives:
