6.1.1 you shall pay the undisputed amounts and provide adequate information necessary to substantiate your claim; and

6.2.3 any other Program Materials forming part of that multiple order will be invoiced for the Annual Support Fee upon completion of the first Service relating to that Software.

6.3 Subject to our prior agreement, you may choose to pay your Annual Support Fee through periodic payment options provided by us from time to time or by monthly direct debit. existing Registration Number shall expire after 30 days of the end of each Year.

6.4 If you fail to make a periodic payment or pay a Monthly Fee on the due date, the balance of the Annual Support Fee that remains unpaid for that Year becomes a debt to us that it is immediately due and payable. Where we accept payment made in instalments from you, and such payment mechanism has been agreed between the Parties in writing in advance of the Commencement Date, such acceptance by us shall remain in our sole discretion and shall not be binding on us for any subsequent anniversary of the Minimum Term or otherwise any Year with the exception of the period for which the acceptance relates to. The Parties agree that clause 6.3 is not intended to change the nature of the Agreement such that it is interpreted or construed to become a monthly or quarterly Licence or Service by reference to the instalment period and notwithstanding any termination prior to the anniversary of the Minimum Term or other subsequent Year (save where such is effected by the us in accordance with clause 4.6) you shall remain liable to settle any outstanding amount of the Total Amount Payable (including for the avoidance of doubt the Annual Support Fee) to the end of the Minimum Term or subsequent Year.

6.5 You shall not be entitled by reason of set-off, counterclaim, abatement or other similar deductions to withhold payment of any amounts due to us. We shall be entitled to offset any amount we owe to you under this Agreement against any amount which you owe to us under this Agreement or any other agreement between you and us.

6.6 Interest shall be chargeable on any amounts overdue at the rate of 4% per annum accruing daily above the Bank of England base rate for the time being in force, from the due date until the outstanding amount is paid in full. We may instruct a Third-Party to recover any payments that have not been received by the date that the payment becomes due. You shall indemnify us in respect of all costs, losses, damages and expenses that we reasonably incur as a result of your delay or failure to pay.

6.7 Subject to the Order Form, we may increase the Annual Support Fee every Year by 5% or the Retail Price Index (RPI) (or such other index as replaces RPI from time to time), whichever is the greater. Notwithstanding any other provisions in this Agreement, we shall be entitled in our absolute discretion to charge additional fees for any material changes to the Program Materials reasonably required to implement changes in legislation and/or professional rules or practice.

6.8 Time of payment shall be of the essence in this Agreement.

If the Agreement states that installation is your responsibility, you shall at your own risk and expense, set up and install the Program Materials in accordance with the instructions supplied.
