A Single Access Point for More than 175 Fully Integrated Electronic Journals, Books, and Databases

Whether you're a physical therapist treating a chronic injury, an orthopedic surgeon who needs to keep up on the latest techniques, or a researcher in sports medicine, you need easy access to online resources you can trust to help you in the hospital, at your office, or in the classroom.

At Ovid, we offer an integrated solution of more than 40 journals, more than 130 books, and 4 databases in Rehabilitation & Physical Therapy — which encompasses Orthopedics, Sports Medicine, Physical Therapy and Rehabilitation. All of our resources are produced by the world's premier publishers, including the American Physical Therapy Association and American College of Sports Medicine, and many have been highlighted for distinction by industry standard ranking and rating systems.

Why Rehabilitation & Physical Therapy Resources from Ovid?

- 20% of ISI ranked journals in Sports Science, 25% of ISI ranked journals in Orthopedics and 24% of ISI ranked titles in Rehabilitation & Physical Medicine are available from Ovid*
- OvidSP offers access to the #3 (*Exercise and Sports Science Reviews*) and #4 (*American Journal of Sports Medicine*) ISI ranked titles in Sports Science*
- More than half of all Sports Medicine, Orthopedics and Rehabilitation & Physical Therapy books on Ovid have received a Doody's Star Review™
- Ovid offers 27 Doody's Core Titles (8 of which are considered Essential Purchases) in Sports Medicine, Orthopedics, Rehabilitation & Physical Medicine and Physical Therapy
- Educational resources on the LWW Health Library offer gold-standard textbooks and thousands of images for classroom use

Core Journals, Books, and Rehabilitation & Physical Therapy

Visit www.ovid.com for a complete list of resources in Rehabilitation & Physical Therapy.

Journals

Journal of Orthopaedic & Sports Physical Therapy

Official journal of the Orthopaedic Section and the Sports Physical Therapy Section of the American Physical Therapy Association (APTA)

Impact Factor: 2.376, 10/62 (Rehabilitation)*

The mission of the Journal of Orthopaedic & Sports Physical Therapy is to publish scientifically rigorous, clinically relevant content for physical therapists and others in the healthcare community to advance musculoskeletal and sports-related practice.

Medicine & Science in Sports & Exercise, Lippincott Williams & Wilkins

Impact Factor: 4.459, 5/81 (Sport Science)*

This official journal of the American College of Sports Medicine features original investigations, clinical studies, and comprehensive reviews on current topics in sports medicine and exercise science.

Journal of Neurologic Physical Therapy, Lippincott Williams & Wilkins

Impact Factor: 2.891, 62/194 (Clinical Neurology), 5/62 (Rehabilitation)*

Publishes articles of global relevance for examination, evaluation, prognosis, intervention, and outcomes for individuals with movement deficits due to neurologic conditions.

The American Journal of Sports Medicine, Sage Publications

Impact Factor: 4.699, 1/67 (Orthopedics), 4/81 (Sport Science)*

As an invaluable resource for the orthopaedic sports medicine community, this peer-reviewed scientific journal acts as an important forum for independent orthopaedic sports medicine research and education.

The convenient, cost-effective Sports Medicine & Orthopaedics and Ovid Rehabilitation & Physical Therapy collections are also available.

Books & Collections

DeLisa's Physical Medicine & Rehabilitation: Principles and Practice

Lippincott Williams & Wilkins

Doody's Core Titles: 2.3 - Physical Medicine & Rehabilitation

The gold standard in the field of physical medicine and rehabilitation serves as both an introductory book for residents and a comprehensive reference book for practitioners.

The 5-Minute Sports Medicine Consult

Lippincott Williams & Wilkins

Doody's Core Titles: 2.73 - Health Sciences – Sports Medicine; Essential Purchase Title

Experienced clinicians from sports medicine, family medicine, pediatrics, and orthopaedic surgery offer an instant overview of more than 280 medical and surgical conditions.

LWW Health Library Physical Therapy
