Favorites ☆ - Allows users to save search materials and tools into folders for quick follow-up and collaboration.

Customize the homepage view for **Quick Links** and **News Feed** according to your needs

The screenshot shows the Kluwer IP Law website interface. At the top is a navigation bar with the logo and menu items: Home, Books & Journals, Case Law, EPC & PCT, IP Tools, Manual IP, and UP & UPC. On the right of the navigation bar are links for Favorites, Help, and a User profile. Below the navigation bar is a search bar with the text "Search our database" and "Search within these results". The main content area is divided into several sections: "Quick links" with sub-sections "Tools & publications" and "Recently viewed"; "Specialist tools" with links to Manual IP, PCT Strategy and Practice, International Licensing and Technology Transfer Compare Jurisdictions, and Patent Litigation Compare Jurisdictions; "Visser's Annotated European Patent Convention 2022 Edition"; and "Latest books" with links to the 2022 Edition and "Internet Law: A Concise Guide to Regulation Around the World". On the right side, there is a "News Feed" section with a "Search" button and a "Recently added content" sub-section. A "Customize homepage" dialog box is open, showing a list of items to be displayed in the Quick Links and News Feed sections, with checkboxes for each item. At the bottom of the page, there are buttons for "See all" and "Subscribe to newsletter".

Click on the icon  to expand the filter menu. Use filters to narrow down the number of results (e.g. use the combination of publication type - books and Author's name to receive results of books written by that author). Click on apply filters followed by the search button to initiate your search query.

Example: (green OR blue) AND yellow

Phrase searches. Multi-word
.....

Typing a word in the search bar will open up a word wheel with suggestions you can select from. Note the **Suggested content** sections which provides suggestions relevant to the search query.

A guide to Boolean operators is provided on the right, to get more targeted results.

Start your search within Manual IP by selecting a Preselected topics for IP phases, Topics and Jurisdiction.

Recent Developments
Reduce time and effort to remain informed through the collected latest news items.

Latest Searches
Recent searches can be accessed directly without having to perform a new search.

The screenshot displays the 'Manual IP. Find & Compare IP Prosecution Information' page. At the top, there is a navigation bar with 'Wolters Kluwer Kluwer IP Law' and user options like 'Favorites', 'Help', and 'User'. Below this is a search filter section with three dropdown menus: 'Preselected topics for IP phases', 'Topics', and 'Jurisdictions', followed by a 'Search' button. The main content area is divided into three sections: 'Recent developments' featuring a news item about the USPTO, 'Latest searches' with a list of search results, and 'Favorites' which lists saved documents for various countries like Albania, Austria, Colombia, and the United States of America.

Favorites
Documents and searches acquired by previous research and marked as your favorite are placed on the Manual IP homepage.

Ease of use by instant access to answers and links to the full document for more context.
