

Competition Law

Version 202205-001

After the Damages Directive: Policy and Practice in the EU Member States and the United Kingdom

King's College London, Gabriella Muscolo, Renato Nazzini

This book takes into account where India stands at present, covering statutes, international conventions, and academic literature, thus bequeathing a broad understanding of the subject for legal practitioners, judges, arbitrators, mediators and conciliators, users, and technical experts who wish to understand it. The nature and scope of this book should appeal most to practitioners, neutrals, and academics, including students, providing them with a profitable read on mediation and conciliation in India. One of its kind, this book stands up to scrutiny and meets the expectations of many making it valuable.
