97% of respondents said the role of corporate counsel has changed to that of business strategist (Source: FTI Consulting, Inc. and Relativity 2020 Survey)

Expand the bandwidth of your legal department with one affordable resource built for CLDs

Not only is the regulatory landscape rapidly evolving, the role of Corporate Counsel is too. You’re being asked to take on more than ever before and partner across business units to provide practical guidance, ensure compliance, and mitigate risk.

**VitalLaw™ for Corporate Counsel** is a powerful combination of in-depth expertise and practical resources to ensure you have exactly what you need to proceed with confidence.

- Reduce response times and avoid being a bottleneck
- Proactively mitigate risk
- Reduce outside counsel fees
- Educate and collaborate across the organization with unlimited users
- Respond to a C-Suite or Business Unit query with actionable insights
- Address an unfamiliar issue with step-by-step checklists
- Compare legal issues across states and easily share those findings
- Find a roadmap and samples to create a new policy or program
- Review summary information before engaging outside counsel
- Draft contracts in minutes, and change clause language in seconds
Companies look to the CLD to ensure compliance beyond contracts and proactively guide the company on complex matters like risk management, data privacy, sexual harassment, board diversity, emergency regulations, and more.

VitalLaw™ for Corporate Counsel is a single trusted resource that provides access to Wolters Kluwer’s in-depth expertise and practical guidance covering:

- Contracts & Forms
- Corporate Governance
- Corporate Law
- COVID-19
- Privacy & Cybersecurity
- Employee Benefits
- HR, Labor & Employment
- Intellectual Property
- Payroll
- Real Estate & Construction
- Securities (Federal)
- Sexual Harassment & Workplace Compliance
- Trade & Advertising

Additional topic areas available as add-ons: Antitrust, Banking and Consumer Finance, Bankruptcy, Government Contracts, Health, Pensions, Products Liability and more.
