

OneSumX® for Compliance Program Management

# NILS™ State Filing

**Complete forms with confidence and efficiency.  
Ensure speedier approvals with resources to monitor  
compliance, maintain internal tools, and accurately  
prepare filing submissions.**

Filing and compliance professionals must manage the complex and ever-changing state laws and regulations that impact the product development process. Delays in approvals mean costly delays in getting to market.

OneSumX NILS State Filing is a web-based tool combining key regulatory details and transmittal forms in an easy-to-use, quickly-deployable format. With OneSumX NILS State Filing, users can focus on achieving business objectives, rather than the time-consuming research and maintenance of monitoring regulatory requirements. OneSumX NILS State Filing is the perfect complement to SERFF and other filing services.

Supported by our team of experts who understand the insurance industry, OneSumX NILS solutions combine proven technology, regulatory content, and the expertise of Wolters Kluwer Financial Services. OneSumX NILS operational compliance tools provide workflow-specific regulatory content, analysis, and forms in an easy-to-use web-based tool. Timely and relevant data, intuitive research, and powerful search tools provide the ideal solution to improve productivity and reduce non-compliance risks.

- Prepare multiple and complex filings quickly and accurately
- Intuitively access easy-to-read summaries of rate, rule, and form filing requirements covering all major product lines
- Automate redundant data entry on transmittal forms for multi-state or multi-carrier filings
- Easily assess the impact of state filing requirements on operations

**Prepare compliant  
state filings quickly.**

---

OneSumX NILS State Filing is available in a variety of subscription options for Property & Casualty and Life & Health lines of business. Forms are available in both Word and Excel formats, and can be saved in Adobe Acrobat for submission through SERFF or other electronic systems.

- Indexes by topic and subtopic organize over 100 different compliance topics related to rate, form, and rule filings
- Regulatory help files for each form help to reduce guesswork, improve compliance levels, and ensure speedier approvals
- Expert summaries provide answers to key regulatory questions impacting product filing processes
- Compliant state transmittal forms allow users to complete filing transmittal forms using the correct and most up-to-date documents
- A flexible and user-friendly interface allows forms to be completed online, downloaded to the user's desktop, or used to maintain system forms
- Email alerts ensure users stay aware of regulatory changes by subject matter, jurisdiction, and line of business
- Regular updates to OneSumX NILS provide access to the most current information and forms available

OneSumX NILS is supported by a team of experts including industry professionals, insurance attorneys, and former insurance regulators as the industry-leading provider of compliance on state filing issues.
