

# LWW Health Library

## NEUROLOGY

### Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

**LWW Health Library: Neurology** is a unique collection designed to support Neurology residents during every rotation throughout the entirety of their program. They'll learn to make diagnoses of complex conditions, identify and manage treatment plans, field questions from attendings during rounds, and practice for board certification and other exams. Great for practicing neurologists, too!

### A Comprehensive Book/ Multimedia Content Package for Residents

### LWW Health Library: NEUROLOGY Features:

- 24 Lippincott® textbooks covering core topics and subspecialties
- Over 250 clinical video clips
- More than 2,500 multiple-choice self-assessment questions addressing Neurology and subspecialty areas
- 130 cases depicting common clinical situations
- Content updated regularly!
- Key titles include: *Merritt's Neurology*, *Parkinson's Disease and Movement Disorders*, *Samuel's Manual of Neurologic Therapeutics*, and *Localization in Clinical Neurology*

### Key Features LWW Health Library

A single portal to foundational and basic sciences resources, as well as rich multimedia ancillaries for teaching, learning, and practice.

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing/Self-Assessment:** Create custom quizzes organized by topic, keep track of responses and link to relevant content to help with remediation
- **Ovid MEDLINE® widget:** Instantly access primary literature from MEDLINE®; results include article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet or smartphone with ease
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia content:** Access videos, images, Q&A, patient education handouts, and more
