The editorial office accepts original articles of 10,000–40,000 characters; longer or shorter articles or articles that have already been published require separate consent from the editors.

The editors kindly request authors to complete the questionnaire for the authors of the article at: https://www.wolterskluwer.com/pl-pl/solutions/informacje/dla-autorow/proces-publikacji-w-czasopismie. We would ask you to send your articles with the questionnaire and a letter of recommendation, if any, by e-mail to the managing secretary: klaudia.szawlowska@wolterskluwer.com. You are also required to attach the core legal argument and the legal act reference so that the article can be indexed in SIP LEX. The percentage contributions to the publication need to be stated in the case of co-authorship.

Academic articles submitted to the editorial office are reviewed.

The author is responsible for the current legal status of the manuscript, as well as the cited regulations, judgments and literature. The editors reserve the right to shorten articles, change titles, headings and make substantive and stylistic corrections, including in the English version. By sending the article to the editorial office, the author transfers the exclusive right of publication to the Publisher. We do not return materials that have not been ordered.

The publication of the article is conditional on the signed contract being sent to the Publisher.

Royalties are paid for articles published in 'Municipal Finance'.
