CCH® Tagetik

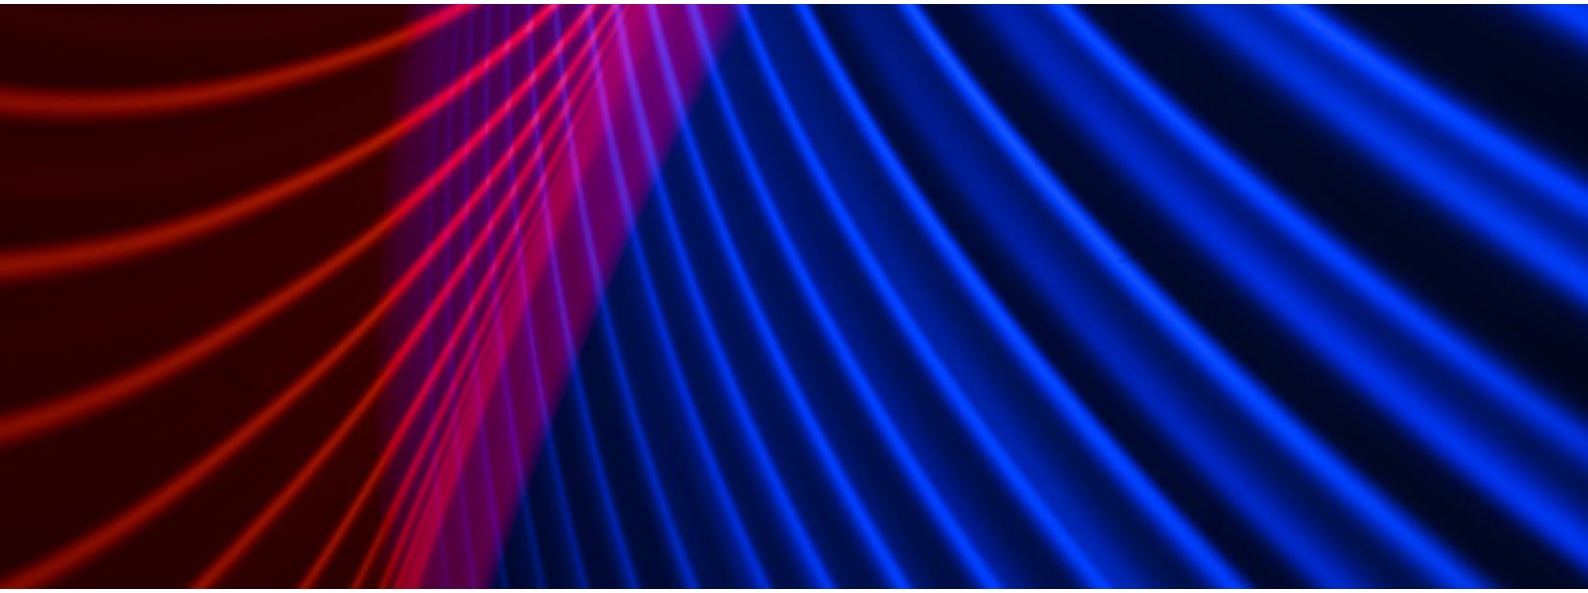

Run Finance with Agility, Securely and at Scale with CCH Tagetik Cloud

CCH Tagetik Cloud delivers a unified finance platform that scales with your business. From close, to planning, and reporting, CCH Tagetik brings finance, data, and Expert AI together in one governed cloud environment so you can *Lead Today. Shape Tomorrow.*
Move faster. Reduce risk. Stay in control - even as complexity grows.

→ Leverage the full power of CCH Tagetik through our SaaS solution

Get the full power of CCH Tagetik on cloud

- Fully managed, enterprise-grade cloud service with infrastructure, upgrades, monitoring, and disaster recovery handled end-to-end, eliminating the need to manage environments or versions.
- Always-on reliability with 24/7 monitoring and global support, delivering proven availability and performance for mission-critical finance processes.
- Enterprise-level security and compliance built in by design, with leading certifications and controls that support governance, auditability, and compliance with regulatory requirements.

Designed to Drive Efficiency and Focus

CCH Tagetik Cloud provides a modernized cloud platform with a fully scalable, high-performance infrastructure. It is purpose-built for finance organizations that need control, accuracy, and speed.

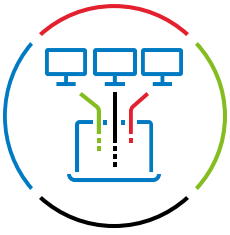

- Get access to the latest innovation including Expert AI: A powerful combination of embedded ML, GenAI, and Agentic AI technologies to power your workflows
- Reduce IT effort, maintenance cost, and dependency on customizations

Smart Cloud for Finance (not one-size-fits-all)

Unlike generic SaaS tools, CCH Tagetik combines the flexibility finance needs with the governance finance requires.

It adapts to complex organizational structures, IT architectures, evolving regulations, and business change — without sacrificing standardization, security, or performance.
