

# Ovid® Nursing Solution for Vocational Training

## Premier Content Selected by Nurses for Students in 2-Year Nursing Programs, Accessible via Ovid's Easy-to-Use, Precision Online Platform

- 4 book and journal collections that offer customized content geared toward 2-year nursing programs
- Choose from 2 book collections and 2 journal collections, sized to fit your budget and acquisition needs
- Increase value for your students and institution by providing authoritative, trusted nursing content from Lippincott Williams & Wilkins
- Make the most of all your nursing content—enhance Ovid with Nursing@Ovid, the only search platform based around an understanding of the terminology in nursing practice

Nursing professionals face many challenges in their mission to improve patient care and, more than ever before, their education on nursing fundamentals is essential to the success of their continuing education, practice, and professional development.

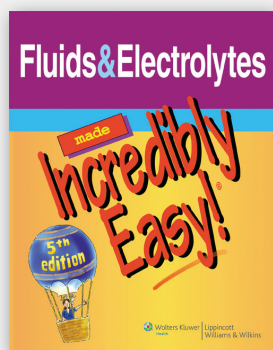

Ovid's nursing solution provides high-quality book and journal content from the industry goldstandard—Lippincott Williams & Wilkins—carefully selected and backed by Ovid's practicing nurse professionals. Our cost-effective nursing solution is packaged to best meet the curriculum needs of 2-year nursing programs and is delivered on Ovid's easy-to-use platform accessible 24/7—on campus, off-campus or in a clinical setting.

Choose the collection that best supports your institution:

- **Ovid Nursing Vocational Core Book Collection**  
55 nursing and allied health books chosen from well known series like Made Incredibly Easy, LPN Expert Guides, RN Expert Guides and Straight A's
- **Ovid Nursing Vocational Extended Book Collection**  
Over 140 titles including the Made Incredibly Easy, and Made Incredibly Visual titles, the popular 5-Minute Consult and more!
- **Ovid Nursing Vocational Basic Journal Collection**  
Five key nursing titles no collection should be without, including American Journal of Nursing (AJN) and Nursing2015
- **Ovid Nursing Vocational Extended Journal Collection**  
45 titles that provide a broader collection of nursing journals to meet extended student and instructor needs

## Why Ovid's Nursing Package for Vocational Training?

- Offer the right mix of peer-reviewed, evidence-based electronic resources on the core nursing fundamentals for students - everything from procedures and skills to care plans and more
- Ovid is the exclusive online institutional research platform for nursing journals from LWW, one of the most trusted name in nursing publishing
- Both Ovid and Nursing@Ovid offer a single online destination accessible anytime, anywhere – our easy-to-use natural language searching makes searching easy for students and faculty

Our content packages have been carefully selected to support 2-year nursing and allied health curriculums and coursework:

## Collections that include hallmark titles in nursing education and practice

- Key titles include: *American Journal of Nursing (AJN)*, *Nursing2015*, *Family & Community Health*, *Journal of Trauma Nursing* and *Advances in Nursing Science*
- Of the journals included in the Ovid Nursing Vocational Extended Journal Collection, 43% (19/44) have ISI Rankings in Nursing subject area\*
- Approximately 20% of ISI ranked journals in Nursing are available within the Ovid Nursing Vocational Extended Journal Collection\*

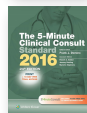

## Two book collections that include best-selling, essential nursing titles

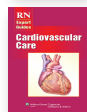

**Made Incredibly Easy**—this popular series uses a light-hearted writing style and has abundant easy-to-follow illustrations that help students remember key points.

**LPN Expert Guides** specifically target LPNs and are quick reference guides presented in an easy-to-follow style.

**5-Minute Consult** provides rapid access to best-selling, must-have clinical content.

**RN Expert Guides** are quick reference guides that provide the principles and practices every nurse should follow.

**Straight A's In** are excellent review and study aids for nursing students that include Top 10 Lists, Quick Scan Key Points and more.

## Also offer your students Ovid MEDLINE®

Updated daily on Ovid, Ovid MEDLINE offers seamless and up-to-the-minute access to the latest bibliographic citations and author abstracts from more than 5,500 biomedical journals published in more than 70 countries. Abstracts are included for more than 80% of the records. Other features include advanced mapping that analyzes users' natural language queries and suggests appropriate terms for searching; a graphical controlled vocabulary thesaurus; and more.
