

GDPR PRODUCT INFO SHEET

Publicaties

1. Nature of processing

This application reads data from the CRM system in use and inserts these data automatically into the correct section. The data are manually supplemented. The application generates a PDF for the publication in the Belgian Official Gazette.

2. Categories of Personal Data processed

The Processor will only process the following categories of Personal Data in the context of this Addendum:

- identity data (name, address, mobile phone number, email address, date of birth, vehicle registration number, IP address, etc.)
- identity data issued by the government (national registration number, passport number, etc.)
- contact information (address, email address, IP address, IMEI, etc.)
- social status (position at work, position within the community, family situation, etc.)
- financial information (bank account numbers, loans, mortgages, investments, payment behaviour, ratings, etc.)

3. Categories of Data Subjects

- Controller's customers

4. Purposes of processing

- Legal requirement

5. Retention period

The Processor does not have access to personal data, except when the Controller explicitly gives instructions to carry out a support task.

6. Security measures

As the product is not in a location hosted by the Processor, responsibility for security lies with the Controller.

Detailed technical and organisational measures:	
Access control: buildings	Access to Wolters Kluwer buildings is controlled by both technical and organisational measures: access control with personalised badges, electronic locking of doors, reception procedures for visitors.
Access control: systems	Access to networks, operational systems, user administration and applications require the necessary authorisations: advanced password procedures, automatic time-out and blocking for incorrect passwords, individual accounts with histories, encryption, hardware and software firewalls.
Access control: data	Access to the data themselves on the part of Wolters Kluwer is controlled by organisational measures: user administration and user accounts with

	specific access, personnel trained in data processing and security.
--	---

7. Sub-processors

There are no Sub-processors.

8. Transfer of personal data

No transfer of personal data takes place.
