Ciencias Básicas

Why Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to students, trainees and residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

Health Library Ciencias Básicas is a medical education digital platform for Spanish-speaking medical and health sciences students designed to teach biomedical foundations and critical thinking skills.

Key Features of Health Library:

- **Account personalization:** Build a unique Health Library experience by saving and organizing content with My Favorites
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation (subscription model only)
- **Advanced semantic search:** View results displayed by title, chapter, topic, and type of resource
- **Responsive Design:** Browse content on your computer, tablet, or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give students, residents, fellows, trainees, and new clinicians control over their progress and motivation to learn
- **Multimedia ancillary content:** Access videos, images, Q & A, case studies, and more
