Why LWW Total Access Journal Collection?

This Ovid® exclusive gives your users quick, easy access to a diverse package of high-quality, full-text journals: core, must-have clinical titles as well as more specialized journals in niche topics.

- Offer users seamless access to premium information from one of the world's most renowned publishers
- Quickly build your institution's electronic journal portfolio
- Enjoy cost-effective collection pricing, lower than per-title costs
- Access content from selected journals before they are available in print
- Many journals that are highly ranked and/or official titles of prestigious societies and associations
- No journals under any embargoes

Enjoy the benefits of the Ovid platform:

- Take advantage of a variety of search modes — including natural language — and customizable features, functionality, and tools.
- Search simultaneously across all your Ovid full-text, bibliographic, Open-Access, and multimedia content using just a single query.
- Organize and manage all Ovid and non-Ovid research in a dedicated work area.
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds.
- Search filters for fine-tuning and refining searches.
- Take advantage of award-winning, 24/7 consultative support services in 20+ languages.
