LWW Total Access Collection

New Journals to Total Access for 2021:

American Journal of Medical Quality

Impact Factor: 1.42 (Health Care Sciences & Services 86/102)

The *American Journal of Medical Quality (AJMQ)* is focused on keeping readers informed of the resources, processes, and perspectives contributing to quality health care services.

Prosthetics and Orthotics International

Impact Factor: 1.482 (Orthopedics 56/82; Rehabilitation 45/68)

Prosthetics and Orthotics International is a peer-reviewed international, multidisciplinary journal for all professionals who have an interest in the medical, clinical, rehabilitation, technical, educational and research aspects of prosthetics, orthotics and rehabilitation engineering, as well as their related topics.

Journal of Aquatic Physical Therapy

The *Journal of Aquatic Physical Therapy* is the primary peer-reviewed, indexed resource for dissemination of research and scholarly work related to the field of aquatic physical therapy.

ASA Monitor

The official news publication of the American Society of Anesthesiologists, the *ASA Monitor* delivers the latest specialty and industry news, and practice-changing clinical information to the perioperative health care community.

Titles added in 2020:

Journal of Cataract and Refractive Surgery

The *Journal of Cataract & Refractive Surgery* publishes high-quality articles on all aspects of anterior segment surgery, in the following categories: clinical studies, laboratory science, techniques, reviews/updates, case reports, and consultations.

The Journal of Urology

Impact Factor: 5.925; 9

The *Journal of Urology*® brings solid coverage of the clinically relevant content needed to stay at the forefront of the dynamic field of urology. This premier journal presents investigative studies on critical areas of research and practice, survey articles providing short condensations of the best and most important urology literature worldwide, and practice-oriented reports on significant clinical observations.

Urology Practice

Urology Practice, launched in 2014, focuses on clinical trends, challenges and practice applications in the four areas of Business, Health Policy, the Specialty and Patient Care.
