
LWW Total Access Collection

The LWW Total Access Collection, an Ovid® exclusive, gives your users quick, easy access to a diverse package of high-quality, full-text journals. They will find core, must-have clinical titles as well as more specialized journals in niche topics. Many journals are highly ranked and affiliated with premier societies — led by expert editorial boards — focused on producing the best and most current research.

The Ovid platform provides a fully integrated solution — providing you the ability to conduct a single search across the LWW Total Access Collection and all your institution's other Ovid holdings. Ovid ensures your users will have the most productive and efficient research experience — with full-text access to the best research.

-
- Offer users seamless access to premium full text from one of the world's most renowned publishers.
 - Quickly build your institution's eJournal portfolio.
 - Enjoy cost-effective collection pricing, lower than your per-title costs.
 - Find information fast with Ovid's powerful search functionality and flexible, time-saving workflow tools.
 - Download MARC records for any journal for your OPAC.
 - Get access to critical content from selected journals before they are available in print.

Exclusive, cost-effective access to over 300 journals in medicine, nursing, and healthcare from Lippincott®

Did you know?

- This collection has top journals, ranked by Impact Factor, in 26 different subject categories.*
- LWW publishes top-ranked titles in the following subject categories: Anesthesiology; Audiology & Speech-Language Pathology; Cardiac & Cardiovascular Systems; Education, Scientific Disciplines; Hematology; Healthcare Sciences & Services; Obstetrics & Gynecology, Orthopaedics; Otorhinolaryngology, Peripheral Vascular Disease; Radiology, Nuclear Medicine & Medical Imaging; and Transplantation.*
- Ovid's Basic Search is powered by natural-language processing, which generates relevance-ranked results.
- Users can access journal content through Ovid or directly through the journal's website.
- eTOCs and AutoAlerts keep users up to date on the latest research.
- You can instantly link from a bibliographic record to a journal.
- Many journals are "official" titles of prestigious societies and associations.
- No journals in the collection are under any embargoes.
