UpToDate®

Your UpToDate

UpToDate gives you access to evidence-based clinical content when and where you need it.

Your free UpToDate registration provides:

- **Remote access** from any computer with an Internet connection.
- **Mobile App access** on up to two mobile devices.
- **CME/CE/CPD** credits when researching a clinical question using UpToDate onsite or remotely — including on your mobile device.
- **History, Most Viewed, Bookmarks** — to quickly access the content you find most valuable.
- **Automatically Sync** your History, Bookmarks and Most Viewed across all devices you use to access UpToDate, such as a desktop or mobile device.
- **What's New Notifications** alert you when topics you've previously viewed have been updated to include discussion of new articles from the medical literature.
- **The "Current UpDate" bi-weekly e-newsletter** with important clinical updates from our editorial team.
- **Access to UpToDate Expert AI***, a new AI experience built on the clinician-authored, evidence-based content you trust from UpToDate.

*UpToDate Expert AI is currently available in select markets. Access may vary and is offered through participating institutional subscriptions or individual purchase subscriptions.

Maintaining Access

To maintain uninterrupted access to UpToDate you will need to confirm your affiliation with your subscribing organization every 90 days. To do this, simply sign in within your organization's network every time you use UpToDate.

Best Practice Tip:

Each time you access UpToDate, log in under the Sign in link with your UpToDate user name and password (or via your EHR) to accumulate CME and maintain uninterrupted remote and mobile access.

Not sure if you are logged in to UpToDate?

If you do not see your name and CME tally on the top right of the screen, click Sign in/Register.

In-application and email messages will remind you to sign in to UpToDate from your organization's network to re-verify your affiliation.
