CCH® Tagetik Supply Chain Planning

“[CCH® Tagetik Supply Chain Planning*] has exceeded our expectations from the start. The implementation project ran smoothly and the system provides real benefit through workflow efficiency and forecast accuracy.”

Andrew Perry,
IBP Manger, Bundaberg Brewed Drinks

The Challenge
Managing demand planning with a spreadsheet-based process and a limited functionality tool from the ERP was disjointed and inefficient. Bundaberg wanted a streamlined global process and improved forecast accuracy.

The Solution
With CCH® Tagetik Supply Chain Planning, Bundaberg has one integrated process for global sales and demand planning with better visibility and efficiency.

The Result and Benefits
Bundaberg now has a complete, integrated process that supports sales planning and demand planning at a global level. This has resulted in improved forecast accuracy and reduced manual work.
Established in 1968, Bundaberg Brewed Drinks Pty Ltd is an Australian family-owned company known for its premium beverages, including its iconic Ginger Beer and other non-alcoholic brews. Their brews are available in over 60 countries and they are fast becoming a favourite all over the world.
